

CRP Family Night Part II

Because of the success of the previous Children's Residential Program (CRP) Family Paint Night, the second evening of creativity was hosted at the Huntington Campus on July 20th.

Again, parents joined their children in a step-by-step painting project. Fittingly, the area of focus was a summer beach and water scene.

"They all did a great, great job," commented organizer and facilitator Briana Parrino, Recreation Therapist.

Everyone enjoyed spending time together and expressing themselves through the beauty of art.

The possibility of a special paint night for parents at an off-site location is being explored, so stay tuned!

"If you hear a voice within you say you cannot paint, then by all means paint, and that voice will be silenced." ~ Vincent Van Gogh
