July 2018

The Loggers United Booster Club invites you to become a Supporter of Logger Academics & Athletics!

As the 2018-2019 Academic/Athletic Season is about to begin, the Loggers United Booster Club is looking for Your Support.

The Logger United Booster Club is comprised of parents, alumni, community members, and other Logger fans that provide volunteer and financial support for all academic/athletic programs at Phillips Schools. We work together with the school to ensure that the needs of the academic/athletic programs are met.

All of the money raised, directly or indirectly, goes back to the academic and athletic programs in the Elementary, Middle and High Schools.. Please see the enclosed information on some of the things we were able to do this past year. It is simply amazing what we can do when we work together with a common goal.

It should be noted that this Sponsorship Drive is a once per year drive and that all covered athletics and co-curricular groups should not be soliciting additional funds from Sponsors during that time.

Our goal this year is to raise \$20,000 through sponsorships. These funds will directly benefit all our co-curricular/athletic programs at Phillips Schools. Our students, athletes, coaches, parents and fans appreciate your support.

The Loggers United Booster Club is a 501(c)(3) non-profit organization of volunteers that extends a huge thank you to our community businesses for their past and future support.

Please feel free to contact us for more information:
