

Benjamin Franklin School
700 Prospect Street
Westfield NJ 07090

Traffic Safety Plan

Thank you for your cooperation with the following:

1. There is no parking or standing allowed on the building side of Newton Place and Prospect Street.
2. The area at the corner of Elm and Newton is designated as a **Drop Off Area**. (See above.) Parents using this option must be prepared to wait on the car line on Elm (a wonderful opportunity to model and teach patience!), have their child(ren) exit the vehicle quickly, and then depart the area quickly.
3. There are several locations surrounding the school which are designated **Pick Up Areas**. Parents can safely park here to either accompany their child to/from the school property, or to meet their child in the afternoon.
4. Please do not double park or wait for children in the designated **No Pick Up Areas**.
