STUDENT INFORMATION BULLETIN

The Education Code of California enumerates specific offenses as serious enough to warrant suspension. The District will not tolerate these offenses and considers them serious enough to warrant an involuntary transfer, arrest by law enforcement agencies, and/or expulsion from school. A student may be suspended or expelled for any of the acts listed in the School Bulletin given to the student inside the Agenda and under “School Policies” at www.rowlandhs.org if the act is related to school activity or school attendance occurring at any district school or within any other school district, including but not limited to the following circumstances:

- While on school grounds
- While going to or coming from school
- During the lunch period, whether on or off campus
- During, or while going to or coming from, a school sponsored activity
