CASTRO VALLEY HIGH SCHOOL STUDENT PARKING POLICY

Student parking is limited to the Redwood parking lot and the areas surrounding the Center for the Arts that ARE NOT numbered. Student vehicles are NOT ALLOWED to park in staff or visitor designated parking lots at any time, and students are subject to school consequences, ticketing or towing of vehicle. ANY space marked with a number, "Staff", or "Visitor" is reserved.

Progressive school consequences for parking violations include receiving a warning, Saturday School, suspension or permit being revoked for repeat parking offenses. However, vehicle may be ticketed on the first violation and student may also receive school consequences at the discretion of the administration. All vehicles parked on Castro Valley High School property are subject to search.

Student Parking Permit

The completed Application for Parking Permit form, along with driver's license, vehicle registration, proof of insurance for each vehicle and \$50 is required before a permit will be issued. Seniors may pay for parking permit during registration. All vehicles allowed to park in student parking spaces MUST have parking permit visible AT ALL TIMES or may be subject to consequences. Permits are to be hung on the rearview mirror of vehicle driven to school. If the permit is not able to be hung off the rearview mirror, permit should be placed on the dashboard facing out so permit number is visible. Permits may be revoked at any time for any violation of the California Vehicle Code while on the CVHS campus, on the way to and from school or school activities, or during the school day. At the discretion of the Administration, a parking permit may be revoked if a student is in violation of school attendance, behavior, or parking policies. **No refund will be given for a revoked permit.**
