

**Nampa School District No. 131
Custodial & Light Maintenance Request for Proposals May 2018
Addendum #4**

Amendment to General Proposal Conditions & Requirements Section 12

Section 12 of the General Proposal Conditions & Requirements is amended to read, in its entirety, as follows:

12. With its proposal, each respondent must include a bid bond in the form of a cashier's check (or similar, acceptable form), payable unconditionally, for an amount equal to 5% of the value of the first twelve (months) of the proposal price. This value shall be determined by dividing the total value of the proposal equally across the sixty (60) months of the intended contract period and summing the first twelve (12) months of proposed billings.

The bond or check of the three lowest bidders will be retained until the award has been made to the successful respondent and a contract has been entered into. Should a respondent fail to enter into a contract within ten (10) days of formal award by the District Board of Trustees, the respondent's bond guarantee will be forfeited to the District as liquidated damages, not as a penalty.
