Action Taken:

PBIS - Mrs. Wilson is coming to do a training on how to deal with certain behaviors and will include a behavior component with PBIS strategies. Since it is already April, it isn't a good time to start working towards the next step. It is too late. They have changed the way you can earn ribbons last month. There is no way anyone in Yadkin County will get any recognition this year, because it is tied in to MTSS. It won't be called PBIS anymore. It will be absorbed into MTSS. PBIS will merge with MTSS. This will tie into MTSS. We have to do a lot of documentation and data for behavior in MTSS. We need to have a document to document the actions even though there are people in the office. There has to be all these things documented such as when did they do it, what should they have done, etc. Mrs. Weisner will make everyone a binder with the minor and major referrals. For example, five minors will make a major during a grading period. We will meet to make the rules. The students will get due process. There will be a MTSS committee for the county, and we will hear from them.

We are still meeting on Day 4.

The walkthrough form is still not working correctly, but Mrs. Weisner is forwarding them to the teachers manually. There have been over 200 walkthroughs.

School performance data is still being looked at in PLC's. DATA is being used to assist in placing students in Title 1.

Newsletters are still being sent out. We had 100% this month turned in. Mrs. Weisner will send another reminder.

Mrs. Weisner and Mrs. Beauchamp created a SIP poster for the conference. Please come by the office to view it and help decide where to hang it. Mr. Vass, Mrs. Vass, and Mrs. Luffman will be attending the NC SIP conference with Mrs. Weisner and Mrs. Beauchamp, because they are trainers.
