

RE: RFP 2019-100 Questions

Response to Questions

Hi Marv:

We only have a few questions:

- 1) Center High at 3111 Center Court is listed as one of the schools on page 18, yet it isn't on the Proposal sheet. Was this an oversight? Or would you like us to include this?  
Center High will not be part of this bid. The list on page 18 is a list of all Erate eligible sites in the district. We will not be adding services to this site under this RFP.
- 2) Future Site on the Proposal Sheet & Page 18. Is it possible to have the address of this site? This will enable us to prepare some build costs, so we can respond with a price in this RFP.  
The 'Future New High School' should have read 'Future New School'. The next one will most likely be an elementary school and should fall within the 'Five-year Term'.

See Attached page from 'Roseville – Sierra Vista Specific Plan – Section 7; Pg 23. The school will be located on Upland Drive just north of Vista Grande Blvd. (most likely called Sierra View Elementary School).

Otherwise, we won't be able to submit a price with this Proposal.

- 3) Future Site, do you have a timeline when this ~~High~~ School will require services?  
Late 2022 or Early 2023.
