

Engineering Pathway Application

Fall 2019

Student information:

Applicants full name: _____

Street Address: _____

City: _____ **Phone Number: (_____)** _____

Student email address: _____

Parent email address: _____

Current school: _____ **Current grade level:** _____

Current math class: _____ **Current grade:** _____

Student signature: _____ **Date:** _____

In the space below, describe why you want to be in the engineering program:

Parent full name: _____

Parent address: _____

Parent phone number: (_____) _____

Parent/guardian signature: _____ **Date:** _____

**I/we understand that our student is applying to a rigorous program at West Ranch.
We agree to participate as necessary and support our learner in this endeavor.**

West Ranch

High School Engineering
Pathway

3 year Engineering Pathway

UC Approved

Enter college with 3 years of engineering experience, 3D modeling, practical engineering projects, and work with industry professionals

Nationally recognized program and curricula

Courses:

9th grade - Intro to Engineering

10th grade - Principles of Engineering

11th grade - EDD - Capstone experience:

Spend an entire year developing projects of your choice with all of the modeling software and industry mentors

Priority given to 9th graders!
Coordinator: Mrs. Brosche
