Lakeside HS CTAE Students Attend STEM Event in Augusta

On October 22nd Lakeside HS CTAE AP Mr. Mealing, along with Engineering Teacher Mrs. Bowman, chaperoned a group of eager engineering and drafting students to attend the annual STEM Career Connections. This event was held at the Kroc Center in Augusta, GA as part of National Nuclear Science Week. Students learned about future local career opportunities and interacted with professionals in high-tech industries to include nuclear technology, information technology, advanced manufacturing and more.

WHAT’S HAPPENING IN OUR CTSOs

DECA
Community Service Project to Benefit The Wounded Warrior Project
- Donut Social & DECA Night at Putt Putt held in November
- Prom Fashion Show coming February 4th!

HOSA
HOSA members attended Fall Leadership Conference in Atlanta, GA November 2nd and 3rd! Competitive testing begins in January!

SKILLS USA
Students are preparing for competition to begin during 2nd semester 2016!

Look for more CTSO news!

Quick Tip
Registration is underway for the 2016-2017 school year. Be sure to speak with your counselor about enrolling in a Career Technical Pathway!
JROTC
Teaching Young People To Become Better Citizens

RAIDERS, DRILL TEAM AND COLOR GUARD

The Lakeside HS JROTC Raider team traveled across Georgia and had a physically challenging season with several key injuries, but managed to bring home several trophies and to continue to be the Columbia County Rogers Cup Champions!

Lakeside HS Color Guard presented the colors at many Veterans Day activities to honor our nations Veterans!

WAY TO START THE COMPETITION SEASON!

WHAT ELSE DOES JROTC DO?

Mrs. Olson’s students have also been working hard to learn the muscles of the body and range of motion. To demonstrate their learning they had to choreograph a dance and name the muscles used in the dance.

HONOR GUARD

This year’s HOSA (Health Occupation Students of America) president, Jung Yun Oh, attended the National Leadership Conference in Anaheim, CA June 2015.

HOSA, the Healthcare Science Clinical and Intro to Healthcare students sponsored a blood drive with the Shepeard Community Blood Center on October 16th we had 86 students present to donate and 65 were able to give. This means 195 lives were saved!

ARMY VS NAVY FOOTBALL AGAINST GREENBRIER AT FORT GORDON

ARMY WINS AGAIN!

HEALTHCARE SCIENCE

Mrs. Olson’s 1st period Essentials of Healthcare students wear the tshirts they created to help them learn the circulatory system.
The Columbia County Chamber of Commerce hosted our students for their annual “Students in Business.” This was a wonderful event for our students to experience. Several local businesses provided our students with tours of their facilities, and spoke to our students about career opportunities, training, qualifications, experience needed, and educational requirements.

The companies that our students toured included the following: Quad Graphics, ADP, Textron E-Z Go, EDTS, GiW, John Deere, Mass Communications and Club Car. Accompanied by Mr. Mealing, Lakeside High CTAE Administrator and Ms. Molly Rhodes, LHS Guidance Counselor, the following students represented LHS: JR Wren, McKenzie Reed, Elena May, Grant Plunkett, Justin Williams, Deon Berrien, Kyler Stewart, Stephen Knapp, Jackson Goodfellow, Jacob Conley, Jason Richburg and Cordell Hudson.

TSA students are already preparing for their first competitive event in Video Game Design and their prototype is looking great!

Congratulations to Jenna Grace Cooper for placing 3rd in the state of GA in the first round of competitive testing! Jenna Grace is already guaranteed a spot to attend International Competition in Nashville, TN in April.

Students are preparing to begin their competition season during second semester!

Thirty Five Skills USA members in the Law, Public Safety, Corrections & Security pathway attended a SkillsUSA Champions Rally at the Georgia National Fair Grounds on October 9th. SkillsUSA is a national, nonprofit student organization that has developed more than 10 million workers through active partnerships between employers and educators. Hundreds of American industries have turned to SkillsUSA as the source for employees who exemplify “Champions at Work” in both skills and attitudes. SkillsUSA’s mission is to empower its members to become world-class workers, leaders and responsible American citizens. At the heart of this mission are SkillsUSA’s core values: integrity, responsibility, citizenship, service and respect. There were several competitions that members entered and an excellent motivational speaker. Following the competitions, students attended the Perry, Georgia Fair and had an excellent time.
