3/16/2020

This is an important message for Pawhuska public schools families. This afternoon, the state Board of Education voted to close all Oklahoma schools, effective immediately, until at least April 6 in an effort to minimize the spread of COVID-19. This means, following spring break, Pawhuska students will not return to school for at least two weeks, and possibly longer, if health officials deem it necessary.

Employees will receive information about their responsibilities during the school closure over the next few days. For more information about COVID-19 and for answers to questions about the school closure, please visit our website at www.pawhuskadistrict.org. Again, there will be no school for Pawhuska students until at least April 6. Thank you for your flexibility and understanding. Please be safe and have a wonderful evening.

David Cash

Superintendent of Schools
