

Parent/Teen Safe Driving Orientation

This dynamic workshop is intended for **PARENTS AND STUDENTS**

Friday, September 27th
Mainland High School Auditorium
6:30 p.m. - 8:30 p.m.

Share the Keys is a research based, data-driven orientation program designed to reduce teen driver crash risks through increased parental involvement. Graduated Driver Licensing (GDL) laws are recognized as the single most effective tool for reducing teen driver crashes, injuries and deaths. Ensuring that parents and teens fully understand the risks and responsibilities associated with driving is essential to teen driver safety.

Teen drivers with supportive parents who closely monitor and set rules are 50% less likely to crash.
