

CCA Camp Day for Grades 7-12

August 29, 2019

Dear CCA parents and high school students,

The faculty and administration of CCA are very excited about the upcoming CCA Camp Day scheduled for Thursday, August 29th at Tri-State Bible Camp & Conference Center in Montague, N.J. Please note the information below and plan to enjoy a wonderful day with the rest of your fellow CCA students and teachers.

Sincerely,

Mr. Michael Boole

Purpose: To spend a day together as CCA high school students and teachers in an attempt to grow in our love and care for each other. With God's Holy Spirit as our Teacher, we also plan to grow closer to our Savior through wholesome fun and challenges from the Word of God.

Place: Tri-State Bible Camp & Conference Center – about an hour away from the school where Pa, New Jersey, and New York meet. Camp Day is a one-day event at a real camp. Canaan Bible Chapel has supported this camp for years and Mrs. Alicia Lamberson (our PreK teacher) and her family live on campus. Her husband is the head of maintenance.

Activities: We plan to have lots of competition and games, led by Mr. John Ashley. The games are designed to build school spirit and foster interclass care. I am sure that each of our high school students and teachers will enjoy the beautiful scenery and the camp facilities at Tri-State!

Transportation: We will leave CCA by 8:30 am and return back to CCA by 9:00 pm. We will use the school bus and vans and private vehicles for traveling to and from the camp. Please arrange for your home-ward transportation from CCA.

Cost: The cost for this activity is paid as part of the registration fee for high school students. No additional charges! Lunch and supper are provided.
