Iso: A responsible Middle school, High school, college girl or a stay home mom, and/or teacher to watch newborn and a 2&3 year old for the summer. They love outdoors and all sorts of fun activities. I'm looking for

some week days, along with every once while maybe a weekend evening (like a date night). Hours will vary from day to day. There might be a 8-4 day one day then a 4hr day the next. There might be a few times that you'd only have the newborn or just the older two kiddos. You can either watch them at my place or your's. Flexible schedule is fine as well. References are required. If you are interested, please call Jessica Peters at 641-757-1651 or FB message her.
