Summit Academy Bluffdale

Principal's Message

I would like to thank our STEM committee and volunteers for planning such a successful STEM night. We appreciate working with our wonderful families. It is amazing the difference we see when parents are involved in their student's learning process. It was fun to see families engaging in learning and having so much fun doing it!

Mrs. Brantley

November 21-23

Thanksgiving Break-NO SCHOOL

Create A Parent Account NOW!

Parents, we are working on reducing our paper use by making our Intent-to-Return computerized for next year! In December, you will be asked to fill out a form online. The form states whether you intend your student to continue their education at Summit Academy. This will ensure a spot for your student for next year and it helps us know how many spots we have available for new/incoming students in the 2019-20 school year. In order to complete this you will have to have a Parent Account. See the attached flyer for directions.

Construction/Loading Changes

Construction on 144th South is winding down and we are now able to adjust our loading to accommodate students who want to walk home. Please note the following options that will begin on Monday, November 26th.

- Loading Lanes – this continues to be the safest option.
- Walkers – students will now be allowed to exit the building to the front of the property and walk down the sidewalk headed East on 144th South. A crossing guard will be provided at the entrance/exit of our parking lot and at the stop light on Redwood Road.
- Shuttle - The shuttle bus will now drop-off and pick-up at the Bluffdale campus at 3:25. Parents should plan to go through loading after 3:25 if they are picking up students.
- Please do not park in the parking lot and have your students walk to your car. This not only slows the flow of traffic out of the parking lot, but is not safe for students.

Summit Connections

On January 24th, 2019 Summit Academy High School will welcome our sister school students from Shin Min High school in Taiwan to visit Summit Academy to learn English and American culture. This will also provide your children an excellent opportunity to learn the Chinese culture and language from Chinese students their own age.

We are in need of families to host the Taiwan students from January 24th to February 12th. Each family can host one or more students in their home. The Taiwan students will be going to Summit Academy High School during the day. On Saturdays, a tour to different sites around Salt Lake City is being organized for the Taiwan students. There is a stipend of \$150.00 offered by Shin Min to help offset the costs for host families. The students will eat school lunch everyday which will also be paid in advance by Shin Min so host families only need to provide breakfast and dinner.

If you are interested, please contact Mrs. Mangelson at jmangelson@msn.com .

Teaching Assistant/Kitchen Job Openings

Do you want to work a few hours a day while your student is in school? We have part time positions in the Classroom and the Kitchen.
