*** Do not feel obligated to purchase these brands, however we have found that the following brands work the best:

- Fiskars scissors
- Crayola Crayons and markers and watercolors
- Elmer's glue sticks
- Expo dry erase (please only black, the other brands and other colors do not erase well)
- Plastic or laminated folders seem to hold up best

** These are just the brands we have found work well, if you cannot find or do not wish to purchase these brands that is perfectly fine. 😊
