- Update on Project Impact and PBIS

PBIS stands for Positive Behavior Interventions and Supports and promotes positive school culture. Laguna is in PBIS Tier II where students are given a clear expectation for behaviors (PBIS matrix) through assemblies and PBIS rotations at various locations. Positive behaviors incentivized with radical roadrunner and weekly raffle. Additional interventions provided for students needing support through school-based counseling, check in/out, and behavior contracts.

- ELAC: ELPAC testing

Test coming up Mid Feb. and assesses in Reading, Writing, Speaking, Listening. More rigorous than former assessment called CELDT. -SSC advised to host a parent information meeting so that parents of ELs are informed as to what EL and ELPAC is and why it's important. Can we put a flyer in Kinder registration packet to inform parents?

- YouthTruth Survey

All staff, parents, and 3-6 graders have been invited to participate in survey. Dr. Bak encouraged parents to complete survey as window closes on Friday. Results will be used to determine district LCAP and school site plans. SSC will discuss when results are available.
