

July 11, 2018

Dear Bloomfield Central School District Parents, Guardians, Students and Community:

The Bloomfield Central School District Board of Education and I are pleased to announce the appointment of Mr. Nicholas Fagnoli as Principal of the Bloomfield Elementary School. The Bloomfield Central School District Board of Education approved Mr. Fagnoli's appointment at its July 10, 2018 meeting.

Prior to his appointment as Elementary Principal, Mr. Fagnoli had served the Bloomfield Central School District as the 6-12 Assistant Principal/Coordinator of Middle School since July 1, 2016. Mr. Fagnoli received his Master of Advanced Science in School District Leadership from the University of Rochester. During his time in Bloomfield, Mr. Fagnoli has demonstrated student centered leadership and the ability to build positive relationships with all stakeholders within the District.

Mr. Fagnoli will be assuming his new role in Bloomfield after former Bloomfield Elementary School Principal, Scott Donnelly, was appointed as the Business Administrator for the Bloomfield Central School District. Prior to his July 10, 2018 appointment as Business Administrator, Mr. Donnelly had served as the Bloomfield Elementary Principal since June of 2014. Mr. Donnelly received both a Certificate of Advanced Study in Educational Administration and a Certificate of Advanced Study in School Business Administration from SUNY Brockport.

The Board of Education members and I invite you to join us in welcoming both Mr. Fagnoli and Mr. Donnelly to their new roles within the Bloomfield Central School District.

Sincerely,

Andrew M. Doell
