Zionsville Athletic Booster Club Information

- The Zionsville Athletic Booster Club (ZABC) was founded in 1975 as a volunteer organization to raise funds to support all student-athletes in the Zionsville Community Schools' middle and high school programs.
- Funds received last year supported over 1,000 student athletes participating on more than 80 teams and 35+ athletic programs, at both the high school and middle school levels
- Funds are used to pay for uniforms and equipment, medical supplies, field work and maintenance, conference membership dues, officials' fees and much more.
- Each year, ZABC provides two college scholarships for outstanding Zionsville High School athletes
- Funds are raised primarily through membership support. As of February 9, 2011 the ZABC is exempt from Federal income tax under section 501 (c) (3) of the Internal Revenue code. Contributions to the ZABC are deductible under Section 170 of the Code.
- Besides fund-raising, another important mission of the ZABC is to foster school spirit through outreach events such as EagleFest in the fall and Fill the Nest in the winter.
- ZABC has parent liaisons for each middle school and the high school.
