

Lincoln Park High School Credit Recovery Program

Are you behind your classmates in credits?

Are you at risk of not graduating on time because of missing credits?

If you answered yes to either of these questions, credit recovery may be the solution for you.

What is credit recovery?

- Credit recovery is open to any currently enrolled LPHS student who is behind in credits and at risk of not graduating on time. Each class is online and closely monitored by staff members who are also available to help when needed.

What classes are offered?

- We offer core content area classes as required for graduation.

How much does it cost?

- Each credit recovery class is 0.5 credit and costs \$40.00 per class. You are only able to take one class at a time.

What do I need to do to get into credit recovery?

- The first step is to go to your counselor to talk about which class(es) you may need to take. They will provide you with a referral form with the class you should take. Then, take the form and the money to Mrs. Doyle (room 204) either before or after school to be enrolled.

What are the deadlines to register and finish the class?

- The deadline to register for the first semester is **November 20th**. The deadline to complete the coursework is **December 21st**. Please note: any course not completed will be recorded as an E.

Where do I go to get help or use a computer?
