

Starting the Conversation, Ending the Stigma
proudly presents an evening for Tweens/Teens and their Parents

Challenge Success: What Does Success Really Mean?

CHALLENGE SUCCESS

This session will be facilitated by *Challenge Success*. A representative from *Challenge Success* will lead a dialogue between teens and their parents about the varying definitions of success, and introduce strategies that promote student well-being and engagement with learning. After all, success is measured over the course of a lifetime, not at the end of a semester.
