

Summer Greetings from Five Mile Prairie

We hope everyone is having an enjoyable summer with lots of family time! Listed below are some important dates and reminders for both secondary and elementary students.

SECONDARY

- *The first day of school for T/Th secondary students is September 3.
- *The first day of school for W/F secondary students is September 6.
- *The first day of school for Monday secondary art students is September 9.

ELEMENTARY

Mandatory elementary conferences will be offered on Wednesday, September 4. You may register for a group conference on WINGS beginning on August 28. These meetings are required to remain in compliance with the state requirements. Conferences will give parents and students a chance to meet the teacher and talk about the upcoming year. Instructions for registering for conferences will be posted on the WINGS homepage.

- *The first day of school for Monday elementary students is September 9.
- *The first day of school for Wednesday elementary students is September 11.

A few reminders:

- ❖ **All initial learning plans for returning 7-12 graders (elementary will be completed by teachers) must be in place the week before school starts (Wednesday, August 28); this will give teachers a chance to approve the learning plans before school starts.** You can access the WINGS homepage for instructions and please pay particular attention to the class title when entering your learning plan. The title should be the name of your courses; ex. Art, Piano, Health and Fitness, etc.
- ❖ Registration for the 2019-2020 school year is now closed in WINGS, so if you would like to change a class, please call the office at 465-7700.
- ❖ Running Start and GSL (one hour model) students will be contacted during the last two weeks of August in order to have the learning plans in place for the first day of school.
- ❖ Picture Day will be on Monday, October 7 and Tuesday, October 8 from 9:30-11:00.
- ❖ **Road Construction Update**....as of this week we are still closed off to the roundabout. We were told that 3 of the 4 entrances to the roundabout should be open next week, but the south entrance will be closed for several weeks. What does that mean?? You will not be able to use Five Mile Road south of the school for a few more weeks. More information to come as we are advised. Thank you for your patience.
