Student Code of Conduct

Purpose

The Student Code of Conduct is the district’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, suspension, placement in a disciplinary alternative education program (DAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Canton ISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code will be posted at each school campus or will be available for review at the office of the campus principal. Additionally, the Code will be posted on the district’s website www.cantonisd.net. Parents will be notified of any conduct violation that may result in a student being suspended, placed in a DAEP, or expelled.

Because the Student Code of Conduct is adopted by the district’s Board of Trustees, it has the force of policy; therefore, in case of conflict between the Code and the student handbook, the Code will prevail.

Please Note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.
School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbulling, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school’s real property boundary line;
9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district.

District administrators may conduct routine blanket inspection and searches of lockers and desks.

Reporting Crimes

School administrators will report crimes as required by law and will call local law enforcement when an administrator suspects that a crime has been committed on campus.

Revoking Transfers

At the end of each school year, the district has the right to revoke the transfer of a nonresident student for violating the district’s Code of Conduct. Students whose transfers have been revoked may no longer apply to the district as transfer students.

Participating in Graduation Activities

The district has the right to limit a student’s participation in graduation activities for violating the district’s code. Participation in graduation exercises is a privilege, not a right.
Students that arrive late for the ceremony may not be allowed to participate. All students will purchase a cap and gown from the school during the current school year in order to participate in the ceremony. All students will participate in graduation practice in order to participate in the graduation ceremony. Altered cap and gowns will not be allowed within the ceremony. All cap and gowns will be uniform as designed. Participation in graduation exercises is a privilege, not a right, and students who do not comply with the above mentioned policies will be removed from the ceremony.

The valedictorian and salutatorian may have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engages in any serious misconduct violation of the Student Code of Conduct, including removal to a Disciplinary Alternative Education Program (DAEP) or expulsion.
Standards for Student Conduct

In order to promote a positive educational experience for all students, the District expects students to adhere to basic standards of conduct.

Each student is expected to:

- Exercise self-control, self-respect, and self discipline.
- Demonstrate courtesy and a positive attitude, even when others do not.
- Attend all classes, regularly and on time.
- Prepare for each class; take appropriate materials and assignments to class.
- Meet district and campus standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of students, teachers, and other district staff and volunteers.
- Respect the property of others, including district property and facilities.
- Pay required fees and fines, as applicable.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.
- Seek changes to school policy and regulations in an orderly and responsible manner using appropriate channels.
- Adhere to the requirements of the Student Code of Conduct.

Because of significant variations in student conduct, it is not always possible for the Student Code of Conduct to address each and every act of student misbehavior. To that end, the District retains discretion to address student misconduct that is inconsistent with the above standards even though the conduct may not be specifically included in the Student Code of Conduct.

Unauthorized Person

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate.
General Conduct Violations

The categories of conduct below are prohibited at school and all school-related activities, but the list does not include the most serious offenses. In the subsequent sections on Suspension, DAEP Placement, Placement and/or Expulsion for Certain Serious Offenses, and Expulsion, severe offenses that require or permit specific consequences are listed. Any offense, however, may be serious enough to result in Removal from the Regular Educational Setting as detailed in that section.

• A student or parent who has a complaint alleging sexual harassment by another student may request a conference with the principal, designee, or the Title IX Coordinator (CISD Superintendent). The student may be accompanied by a parent or other advisor at the initial conference and throughout the complaint process. The initial conference with the student ordinarily shall be scheduled and held as soon as possible, but in any event within five school days. At the conference, the person(s) bringing the complaint shall be informed of the right to file a complaint with the Office of Civil Rights.
• The principal, designee, or the Title IX Coordinator (CISD Superintendent) shall coordinate an appropriate investigation, which ordinarily shall be completed within ten school days. The student or parent shall be informed if extenuating circumstances delay the investigation.
• Nothing in the complaint process shall have the effect of requiring a student alleging sexual harassment to present the matter to the person who is the subject of the complaint.

- Falsify records, passes, or other school-related documents.
- Engage in actions or demonstrations that substantially disrupt or materially interfere with school activities.
- Repeatedly violate other communicated campus or classroom standards of conduct.
- Be truant or tardy.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.
**Discipline Management Techniques**

Discipline will be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques that may include restorative discipline practices. Discipline will be correlated to the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, the effect of the misconduct on the school environment, the student’s disciplinary history and statutory requirements.

Because of these factors, discipline for a particular offense (unless otherwise specified by law) may bring into consideration varying techniques and responses.

**Students with Disabilities**

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, state and/or federal law will prevail.

In accordance with the Education Code, a student who is enrolled in a special education program may not be disciplined for conduct meeting the definition of bullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, the district will take into consideration a disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct.

**Techniques**

The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written
- Cooling-off time or “time-out”
- Seating changes within the classroom.
- Temporary confiscation of items that disrupt the educational process
- Rewards or demerits
- Behavioral contracts
- Counseling by teachers, counselors, or administrative personnel
- Parent-teacher conferences
- Behavior coaching
- Anger management classes
- Mediation (victim-offender).
- Classroom circle
- Family group conferencing
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy
- Detention, including outside regular school hours
- Sending the student to the office or other assigned area, or to in-school suspension
- Assignment of school duties such as cleaning or picking up litter
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations
- Penalties identified in individual student organizations’ extracurricular standards of behavior
- Restrictions or revocation of district transportation privileges
- School-assessed and school-administered probation
- Corporal punishment, unless the student’s parents or guardian has provided a signed statement prohibiting its use
- Out-of-school suspension, as specified in the Suspension section of this Code
- Placement in a DAEP, as specified in the DAEP section of this Code
- Placement and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Serious Offenses section of this Code
- Expulsion, as specified in the Expulsion section of this Code
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district
- Other strategies and consequences as determined by school officials or identified in co-curricular or extracurricular handbooks

**Notification**

The principal or appropriate administrator will notify a student’s parent by phone or in writing of any violation that may result in a suspension, placement in a DAEP, or expulsion. Notification will be made within three school days after the administrator becomes aware of the violation.

**Appeals**

Parental questions or complaints regarding disciplinary measures should be addressed to the teacher or campus administration, as appropriate, and in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal’s office or the central administration office or through the Policy On Line link found on the district website: [www.cantonisd.net](http://www.cantonisd.net)
Consequences will not be deferred pending the outcome of a grievance.

**Removal from the School Bus**

A bus driver may refer a student to the principal’s office or the campus behavior coordinator’s office to maintain effective discipline on the bus. The principal or behavior coordinator must employ additional discipline management techniques, as appropriate, with can include restricting or revoking a student’s bus riding privileges.

- Possession of a knife

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

**Routine Referral**

A routine referral occurs when a teacher sends a student to the principal’s office as a discipline management technique. The principal may then employ additional techniques.

**Formal Removal**

A teacher or administrator may remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom. A teacher may also initiate a formal removal from class if:

1. The student’s behavior has been documented by the teacher as repeatedly interfering with the teacher’s ability to teach his or her class or with the student’s classmates’ ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion will be followed. Otherwise, within three school days of the formal removal, the appropriate administrator will schedule a conference with the student’s parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the appropriate administrator will inform the student of the misconduct for which he or she is charged and the consequences. The administrator will give the student an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the principal may place the student in:

- Another appropriate classroom
- In-school suspension
- Out-of-school suspension
- DAEP

**Returning Student to Classroom**

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder
or capital murder, the student may not be returned to the teacher’s class without the teacher’s consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher’s class without the teacher’s consent, if the placement review committee determines that the teacher’s class is the best or only alternative available.
Out-of-School Suspension

Misconduct
Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

In deciding whether to order suspension, the district will take into consideration:
1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student’s disciplinary history.

Process
State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student will have an informal conference with the appropriate administrator, who shall advise the student of the conduct of which he or she is accused. The student will be given the opportunity to explain his or her version of the incident before the administrator’s decision is made.

The number of days of a student’s suspension will be determined by the appropriate administrator, but will not exceed three school days.

The appropriate administrator will determine any restrictions on participation in school-sponsored or school-related extracurricular and co-curricular activities.
Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student’s regular classroom. An elementary school may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten – grade 5 and secondary classification shall be grade 6-12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in DAEP in addition to the expulsion.

In deciding whether to order placement in a DAEP, the district will take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student’s disciplinary history.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of the code.

1. Serious misbehavior (see page 13)
2. Persistent misbehavior, defined to be two (2) or more violations of school/classroom rules, or the Student Code of Conduct.
3. Insubordination toward an administrator.
4. Use or possession of prohibited weapons (see p. 6) at school or at school-related activities, including articles not generally considered to be weapons but which the administrator determines constitutes a danger for student(s), school employee(s), or school property.
5. Conduct or actions that is humiliating, degrading, or offensive to another person.

Misconduct Identified in State Law

In accordance with state law, a student may be placed in a DAEP for any one of the following offenses:

- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary)
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Involvement in criminal street gang activity. (See glossary)
- Any criminal mischief, including a felony.
- Assault (no bodily injury) with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.
- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student’s consent.

In accordance with state law, a student may be placed in a DAEP if the superintendent or the superintendent’s designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than those listed as offenses involving injury to a person in Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student’s presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The appropriate administrator may, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

**Mandatory Placement: Misconduct That Requires DAEP Placement**

A student must be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony.
  - Commits an assault (see glossary) under Texas Penal Code 22.01(a)(1).
  - Sells, give, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for “under the influence”)
  - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony
offense. (School-related felony alcohol offenses are addressed in the Expulsion section.)

- Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed under Expulsion.)
- Is involved with a criminal street gang or encourages, solicits, recruits, enables, or causes another to become a member of a street gang.
- Engages in conduct punishable as a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
  1. The student receives deferred prosecution (see glossary),
  2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
     The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

**Sexual Assault and Campus Assignments**

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim’s parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student will be transferred to a DAEP.

**Emergencies**

In an emergency, the principal or the principal’s designee may order the immediate placement of a student in a DAEP for any reason for which placement in a DAEP may be made on a non-emergency basis.

**Process for Mandatory Placement in DAEP**

Removals to a DAEP will be made by the campus principal or designee. Out-of-school suspension for a period of up to 3 consecutive days may be assigned to the student in addition to the DAEP placement.
Conference
When a student is removed from class for a DAEP offense, the appropriate administrator will schedule a conference within three school days with the student’s parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the appropriate administrator will inform the student, orally or in writing, of the reasons for the removal and will give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student’s parents attend the conference.

Consideration of Mitigating Factors
In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in conduct,
3. The student’s disciplinary history, or
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct.

Placement Order
After the conference, if the student is placed in the DAEP, the appropriate administrator will write a placement order. A copy of the DAEP placement order will be sent to the student and the student’s parent.

Not later than the second business day after the conference, the board’s designee will deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order will give notice of the inconsistency.

Length of Placement
The duration of a student’s placement in a DAEP will be determined by the campus principal or behavior coordinator.

The duration of a student’s placement shall be determined on a case by case basis. DAEP placement shall be correlated to the seriousness of the offense, the student’s age and grade level, the frequency of misconduct, the student’s attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year except as provided below.
Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student’s DAEP placement order.

**Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that:

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board’s decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

For seniors who are eligible to graduate and are assigned to DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall not be allowed to participate in the graduation ceremony and related graduation activities unless approval from the campus principal is granted.

**Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the appropriate administrator must determine that:

1. The student’s presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district’s Code.

**Appeals**

Questions or complaints from parents regarding disciplinary measures should be addressed to the campus administration, in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal’s office or the central administration office or through the Policy On Line link on the district’s website: www.cantonisd.net

Disciplinary consequences will not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

**Restrictions during Placement**

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

A student placed in a DAEP is not provided transportation unless he or she is a student with a disability who has transportation designated as a related service in the student’s IEP.
For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the last day of placement in the program will be the last instructional day, and the student will not be allowed to participate in the graduation ceremony and subsequent graduation activities at the discretion of the principal.

**Placement Review**

In some circumstances, a student placed in a DAEP may be allowed to return to his/her home campus before the end of the DAEP assignment. After thirty (30) instructional days of the student’s DAEP placement have been completed, a review process will be conducted by the campus principal or designee provided that the student has no unexcused absences, no classroom discipline referrals, and all course grade averages meet or exceed 75%. These reviews will be schedules by the campus principal or designee during the last week of each nine-week grading period according to the current CISD school calendar. All students meeting the conditions of the review at that time may be allowed to return to their home campus on the first day of the new nine-week grading period according to the current CISD school calendar. The student may not be returned to the classroom of a teacher who removed the student without that teacher’s consent.

**Additional Misconduct**

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator may enter an additional disciplinary order as a result of those proceedings.

**Notice of Criminal Proceedings**

The office of the prosecuting attorney will notify the district if a student was placed in a DAEP for certain offenses including any felony, unlawful restraint, indecent exposure, assault, deadly conduct, terroristic threats, organized crime, certain drug offenses, or possession of a weapon, and:

1. Prosecution of a student’s case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or

2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee will review the student’s placement and schedule a review with the student’s parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student’s parent, the superintendent or designee may continue the student’s placement if there is reason to
believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student’s parent may appeal the superintendent’s decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board will, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student’s parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board will make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student’s parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

**Withdrawal during Process**

When a student violates the district’s Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the district may complete the proceedings and issue a placement order. If the student then reenrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the appropriate administrator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

**Newly Enrolled Students**

The district shall continue the DAEP placement of a student who enrolls in the district and was assigned to DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state will be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, will reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

**Emergency Placement Procedure**

When an emergency placement occurs, the student will be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student will be given the appropriate conference required for assignment to a DAEP.
Placement and/or Expulsion for Certain Serious Offenses

This section includes two categories of serious offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the administration must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement will be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student’s presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district’s students.

Review Committee

At the end of the first semester of a student’s placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student’s placement. The committee will recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee’s recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student’s parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student’s parent. The conference is limited to the factual question of whether the student is required to register as a sex
offender. Any decision of the board or its designee under this section is final and may not be appealed.

**Certain Felonies**

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or its designee makes certain findings and the following circumstances exist in relation to a felony offense under Title 5 (see glossary) of the Texas Penal Code. The student must:

- Have received deferred prosecution for conduct defined as a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as a Title 5 felony offense;
- Have been charged with engaging in conduct defined as a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student’s conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

**Hearing and Required Findings**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student’s presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district’s students.

Any decision of the board or the board’s designee under this section is final and may not be appealed.

**Length of Placement**

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Newly Enrolled Students

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.
Expulsion

In deciding whether to order expulsion, the district will take into consideration:
1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct, and
3. The student’s disciplinary history.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Any Location

A student may be expelled for:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student’s consent.
- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.
- Criminal mischief, as punishable as a felony.
- Engaging in conduct that contains the elements of one of the following offenses against another student, without regard to where the conduct occurs:

  - Criminal attempt to commit murder or capital murder.
  - Aggravated robbery.

At School, Within 300 Feet, or at School Event

• Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, if the conduct is not punishable as a felony. A student with a valid prescription for low THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision (See glossary for “under the influence”)

• Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.

• Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.

  * A student will not be expelled solely for using, exhibiting or possessing a firearm in the following circumstances:

  (1) at an approved target range not located on a school campus,

  (2) while participating in or preparing for a school-sponsored shooting sport competition, or

**While in DAEP**

A student may be expelled for engaging in documented serious misbehavior that violates the district’s Code, despite documented behavioral interventions while in a DAEP. For purposes of discretionary expulsion from DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or

A student must be expelled for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

**Under Federal Law**

- Bringing to school a firearm*, as defined by federal law. “Firearm” under federal law includes:
  - Any weapon (including a starter gun) that will, is designed to, or may readily be converted to expel a projectile by the action of an explosive.
  - The frame or receiver of any such weapon.
  - Any firearm muffler or firearm weapon.
  - Any destructive device, such as any explosive, incendiary or poison gas bomb, or grenade.

* A student will not be expelled solely for using, exhibiting or possessing a firearm in the following circumstances:
• (1) at an approved target range not located on a school campus,
• (2) while participating in or preparing for a school-sponsored shooting sport competition, or

• Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses, with the exception of a federal firearm offense, on or off school property or at a school-related activity.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student will not be expelled, but will be placed in a DAEP. A student under age six will not be placed in a DAEP unless the student commits a federal firearm offense.

Emergency

In an emergency, the principal or the principal’s designee may order the immediate expulsion of a student for any reason for which expulsion may be made on a non-emergency basis.

Process

If a student is believed to have committed an expellable offense, the principal or other appropriate administrator will schedule a hearing within a reasonable time. The student’s parent will be invited in writing to attend the hearing.

Until a hearing can be held, the principal may place the student in:

• Another appropriate classroom
• In-school suspension
• Out-of-school suspension
• DAEP

Hearing

A student facing expulsion will be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student’s parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student’s defense, and
3. An opportunity to question the district’s witnesses.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student’s parent attends.

The board of trustees delegates to the superintendent or designee the authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the
superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board’s designee.

The board shall hear statements made by the parties at the review and will base its decision on evidence reflected in the record and any statements made by the parties at the review. The board will make and communicate its decision orally at the conclusion of the presentation. Consequences will not be deferred pending the outcome of the hearing.

**Expulsion Order**

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (See glossary)
2. Intent or lack of intent at the time the student engaged in the conduct
3. The student’s disciplinary history

After the due process hearing, if the student is expelled, the board or its designee will deliver to the student and the student’s parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the campus behavior coordinator will deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order will give notice of the inconsistency.

**Length of Expulsion**

The length of an expulsion will be correlated to the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, and statutory requirements.

The duration of a student’s expulsion will be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent or other appropriate administrator may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.
Withdrawal during Process

When a student has violated the district’s Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then reenrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the appropriate administrator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions during Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit will be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district will reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.
Emergency Expulsion Procedures

When an emergency expulsion occurs, the student will be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student will be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.
TRANSPORTATION RULES

Transportation is a privilege provided for district students. Campus administration has the discretion to assign consequences based on the individual situation. Listed below are the rules and regulations to be followed by students riding the bus. These rules and regulations are necessary for the safe and orderly operation of the school transportation system. Student cooperation is absolutely necessary for the safety of our students. Students being transported in school-owned vehicles shall comply with these rules in addition to the Student Code of Conduct. Any student who fails to comply with this code of conduct while waiting, riding, or leaving on school transportation may be denied transportation services and shall be subject to disciplinary action.

Disciplinary sanction and changes in transportation for handicapped students shall be made in accordance with the provisions of the student’s IEP.

Bus Rules, Regulations, and Consequences

The following is a guide for dealing with bus/discipline problems. Occasionally, problems arise that may require more immediate or severe measures. Therefore, some steps in these procedures may be bypassed at the discretion of the campus administrator. Students involved in inappropriate actions involving the school bus will be disciplined according to the severity of the offense even though they may not have been on the bus at the time. Once a major offense has occurred, the first three steps under minor offenses will no longer be considered for disciplinary actions assigned to Jr. High or High School students.

For the safety of everyone, students are not to carry balloons or other large objects on the bus that may obstruct the driver’s view or pose a safety hazard to others.

Student Dress Code and Grooming Policy

Dress and grooming policies are in effect each day of the school year. The campus principal has total discretion in determining the appropriateness of dress and hair. If the principal or designee determines that the dress or grooming of a student is inappropriate, he/she will advise the student of why the dress/grooming fails to conform to guidelines and allow the student to give an explanation. The principal, or designee, shall notify one of the parents or guardians of the student whose dress/grooming is inappropriate. Parents will be informed that the student must conform to the guidelines before returning to school. Students under 18 years of age whose parents cannot be reached will not be permitted to attend classes until they conform to the guidelines. The dress code shall be met by all participants in all school activities such as athletic events, musicals, field trips, and off-campus school events and commencement exercises. Violations of the dress and grooming code may warrant disciplinary action. Students will be placed in in-school suspension until they meet guidelines for the dress code.

Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district’s policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

Searches of Desks, lockers, Technology and vehicles

Students have full responsibility for the security of their lockers and vehicles parked on school property and shall make certain they are locked and that the keys and combinations are not given to others. Students shall not place, keep, or maintain any article or material in lockers or vehicles parked on school property, which is forbidden by district policy.

School desks, lockers, school provided technology and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Vehicles parked on school property may be searched by school officials if there is reasonable cause to believe they contain articles or materials prohibited by district policy. Students shall be responsible for any prohibited items found in their vehicles parked on school property.

If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the principal or designee shall contact the student’s parent. If the parent also refuses to permit the vehicle to be searched, the principal or designee may contact law enforcement officials and turn the matter over to them.

Security Personnel

To ensure sufficient security and protection of students, staff and property, the board employs Canton ISD Police Officers. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff.

Use of trained dogs

The district may use specially trained non-aggressive dogs to sniff out and alert to the current presence of concealed weapons, drugs, alcohol, and other prohibited items. This program is implemented to maintain a safe school environment conducive to education.

Visits to schools shall be unannounced. The dogs shall be used to sniff the air in vacant classrooms, in vacant common areas, around student lockers, and around vehicles parked on school property. The dogs shall not be allowed to sniff students. If a dog alerts to a locker, vehicle, or an item in a classroom, it may be searched by school officials.
**Parent notification**

The student’s parent or guardian shall be notified if any prohibited articles or materials are found in a student’s locker of vehicle parked on school property, or on the student’s person as a result of a search conducted in accordance with district policy.
Acceptable Use of Technology Guidelines

Internet access is coordinated through a complex association of government agencies as well as regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the users who must adhere to strict guidelines. This policy is provided to make all users aware of the responsibilities of access to the Canton ISD computer network.

In return for permission to use any of Canton ISD’s computer and technology-related hardware, software, and network system, including access to other networking systems such as the Internet and World Wide Web, each student user must agree to comply with these guidelines. Failure to do so may result in disciplinary action.

Technology Use

Personal Safety

- Students must not post personal contact information about themselves or anyone else. Personal contact information includes addresses, telephone numbers, or any information that an unauthorized person might use to locate or contact someone against their will.
- Students must agree not to meet someone they have met online using the district’s system.
- Students must immediately inform their teacher or other school officials of any message received that is inappropriate or makes them feel uncomfortable.
- Students must not make, participate in making, transmit or post to the Internet a digital, video, or audio recording of an actual or simulated act that involves conduct prohibited by the Code of Conduct.

Illegal Activities

- Students must not attempt to gain unauthorized access to Canton ISD servers or network systems. This includes attempting to log in through another person’s account or accessing another person’s files. These activities are illegal, even if the student user is only browsing.
- Students must not make deliberate attempts to disrupt the computer network system or destroy data by spreading computer viruses or by any other means. Such attempts will be considered vandalism.
- Students must not use any of the school’s computer equipment to engage in any illegal or terroristic act. This would include arranging for drug or alcohol sales or purchase, engaging in criminal gang activity, threatening the safety of a person, or harassing any individual or group.
- Students must not read, move, copy, rename, edit, or in any way alter filed created or organized by others including district and campus websites.
o Students must not alter the hardware or software setup on Canton ISD computers or servers without teacher permission. This includes windows desktop and screen savers.

o Students must adhere to all copyright laws. Students must not bring or attempt to use unauthorized software on school computers or network systems.

**Security**

o Students are responsible for their individual account and will take all reasonable precautions to prevent others from accessing their account. Under no conditions should a student give out their password. If a student inadvertently discovers another person’s password, he/she must notify that person at once and must not give the information to anyone.

o Students must immediately notify a teacher or the Technology Director if they have identified a possible security problem. Students are not allowed to browse for the sake of finding such problems as this may be construed as an illegal attempt to gain access.

o Students will avoid the inadvertent spread of computer viruses by following the district’s virus protection policy and procedures.

**Inappropriate Language/Netiquette**

o Students must understand that the District’s restrictions against inappropriate language apply to public messages, private messages, assignments, or postings on web pages.

o Students must not use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language.

o Students must not engage in personal attacks, including prejudicial or discriminatory attacks.

o Students must not harass another person or group. Harassment is persistently acting in a manner that distresses or annoys. If a user is told by a person to stop sending them messages, then they must stop.

o Students must not knowingly or recklessly post false or defamatory information about a person or organization.

**Respect for Privacy**

o Students must not report a message that was sent to them privately without permission of the person that sent the message.

o Students must not post private information about another person.

**Respecting Resource Limits**

o Students must use school technology for educational and career development activities only.
Students must not download large files unless they have prior authorization of the teacher or Technology Director.

Students must not post chain letters or engage in “spamming”. Spamming is sending an annoying or unnecessary message to a large number of people.

**Plagiarism and Copyright Infringement**

- Students must not plagiarize works that they find on the Internet or on the computers at Canton ISD. Plagiarism is taking the ideas or writings of others and presenting them as if they were your own.
- Students must respect the rights of copyright owners. Copyright infringement occurs when student users inappropriately reproduce a work that a copyright protects. If a work contains language that specifies appropriate use, student users must follow the expressed requirements. If a student is unsure whether or not he/she can use a work, they must request permission from the copyright owner. If copyright law confuses a student user, they must ask a teacher for guidance.
- Transmission of any material in violation of any law is prohibited. This includes but is not limited to: copyrighted material, threatening or obscene material or material protected by trade secrets.

**Inappropriate Access to Material**

- Students must not use the Canton ISD computer network to access material that (a) is profane or obscene, such as pornography, (b) advocates illegal acts, or (c) advocates violence, threats, or discrimination toward other people or groups.
- If a student mistakenly accessed inappropriate information, he/she must immediately turn off their monitor and report it to a teacher or an administrator. This will protect the user against a claim that they intentionally violated the Acceptable Use of Technology Guidelines.
- The use of chatrooms is strictly forbidden.
- The student’s parents will instruct them if there is additional material that the parent feels would be inappropriate for the student user to access. The District expects that each student will follow their parent’s instruction in this matter.

**Rights and Responsibilities**

**Search and Seizure**

- Students can expect only limited privacy in the content of their personal files and records of their online activity on the district’s computer hardware or network system. All files on computers or telephones on the network are considered Canton ISD property and are subject to search.
o Routine maintenance and monitoring of the district’s computers may lead to discovery that a student user(s) has (have) violated the Acceptable Use Guidelines, the District’s Student Code of Conduct, or law.

o All student’s parents and school officials have the right to view the contents of a student’s files.

o Canton ISD reserves the right to periodically purge data files, including student home directories. Students will be notified and given reasonable time to save their data.

**Due Process**

o Canton ISD will cooperate fully with local, state, or federal officials in any investigation related to any illegal activities conducted through a district computer or network.

o In the event that there is a claim that a student has violated these Acceptable Use Guidelines or the Canton ISD Code of Conduct in their use of the district’s computers and/or network system, the district will give the student notice and an opportunity to be heard according to the Canton ISD Code of Conduct.

o If the violation also involves a violation of other provisions of the Canton ISD Student Code of Conduct, it will be handled in a manner described in the Student Code of Conduct.

**Limitations of Liability**

Canton ISD makes not guarantee that the functions or the service provided by or through the district’s network system will be accessible, error-free, or without defect. The district will not be responsible for any damage a student may suffer, including but not limited to loss of data or interruption of service. The district is not responsible for the accuracy or quality of the information obtained through or stored on the system. The district will not be responsible for financial obligations arising through the unauthorized use of the system.

The student is responsible for the district’s hardware and software that they are using. The student is accountable for his/her actions while they are online. The district is not accountable for a student’s actions if they fail to follow the correct procedures listed in these guidelines. The district will cooperate fully with law enforcement or other legal authority’s investigation of wrongdoing and may impose disciplinary action in addition to any civil or criminal penalty.
Personal Technology Use and Electronic Communication

Beginning with the 2012-2013 school year, Canton ISD will allow the use of personal technology devices by students at specified times. Personal technology devices include but are not limited to the following: cell phones, smart phones, mp3 players, iPod Touches, iWatches, iPads, eReaders, and Chrome Books.

It is not mandatory for students to bring their own mobile learning devices. Students who choose to bring their personal devices must use the Canton ISD filtered wireless network during the school day.

NOTE: Students bringing electronic communication devices to school at their own risk. The District will not be held responsible if a phone or other item is lost, stolen, or misplaced, including those that have been confiscated.

Students may utilize personal technology devices in the classroom for educational purposes when the teacher deems appropriate. While the district encourages students to use personal technology devices for educational purposes in the classroom, these devices may also be used during lunch, and before/after school (CHS Students Only) at the discretion of the Principal. Use is strictly prohibited during passing periods due to safety issues. Use of personal technology devices during the school day is a privilege. Adherence to the guidelines below is essential to maintaining an academic environment and the integrity of the classroom.

Guidelines

Students must comply with staff directives, including but not limited to, using appropriate device volume. When in use, devices must be on vibrate or silent mode so that no audible tone is heard. Using functions on electronic devices in any manner that disrupts the educational environment, from within or from outside the classroom, or violates the rights of others, including, but not limited to using the device to cheat, violate school conduct rules, harass or bully staff or students or use their device for unlawful purposes will be subject to disciplinary action, up to and including suspension, expulsion and will be reported to the local authorities.

Cell Phone Rule

The purpose of the PTU program is to provide for instructional opportunities. The program is not intended for cell phone conversations. Any cell phone conversations during the school day should only take place under the supervision of CISD personnel.

Any audio or video recording without teacher or administrator approval is prohibited. Using any device to record the voice or image of another in any way that either disrupts the educational environment, invades the privacy of others, or is made without the prior consent of the individuals being recorded is prohibited. Also, using any device to record the voice or image of another to take, disseminate, transfer or share audio, images, video or photographs that reveal private parts of the body that are
ordinarily covered by clothing is prohibited. The possession of pornographic images or video on any electronic device is prohibited.

**Misuse of Computers, Electronic Devices and the Internet**

*The following are prohibited and may result in loss of privilege or disciplinary action.*

- Violating policies, rules, or guidelines.
- Using the Internet or other electronic communications to threaten students or employees or cause disruption to the educational program.
- Sending or posting electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation or illegal.
- Using email or Web sites at school to encourage illegal behavior or threaten school safety.
- Students should not send or read text messages during class without teacher permission. Texting other students while they are in class is strictly prohibited.
- Students are prohibited from using any type of electronic device to record video, take pictures or audio recordings in restrooms, or any area that students may be dressing. In most situations, this will be treated as a “Serious” infraction.

**Note:** Students will not be allowed to bring personal technology devices until the CISD Personal Technology Use Agreement has been received.

**Questioning Students at School**

As school officials, we have the right to question your child about his or her own conduct at school and, in the investigation of alleged misconduct by other students, to question him or her about the conduct of others. We expect students to cooperate in this process, and the refusal to cooperate will be treated as insubordination and disciplined accordingly. We will not ordinarily contact you before questioning your child about his or her own conduct or about the conduct of other students, but certainly will contact you as provided in the Student Code of Conduct if our investigation shows that your child has violated school conduct rules. The Code of Conduct provides a complete explanation of the discipline processes and when you will be contacted. Our investigation of possible violations of the Code of Conduct is not a criminal proceeding, and there is no such thing as “taking the Fifth” or a student’s right not to incriminate himself or herself in a school discipline investigation.

Sometimes law enforcement officials or investigators from Child Protective Services (CPS) ask to interview students at school. In the case of an investigator from Child Protective Services conducting a child abuse or neglect investigation, we are required by state law to permit the investigator to talk to the child at school. We will also make every effort to cooperate with law enforcement officials conducting an investigation that requires talking to students.

Ordinarily, we will attempt to contact you before the interview by an outside personal takes place. However, if the CPS investigator or the law enforcement official asks or tells us not to contact you, we will comply.
