

2018-2019 MT. SPOKANE HIGH SCHOOL PARKING REGULATIONS LIMITED SPACES AVAILABLE

All students driving a vehicle to Mt. Spokane are required to purchase a parking space, this includes single period and running start students. Parking spaces cost \$50.00 per year. Students are expected to park in their space not only during normal school hours, but during all before and after school activities, such as school sports practices, P.E. makeups, band, zero hour classes, and/or early morning meetings. **Students are not allowed to transfer their parking spaces to any other students.** **NO WARNING** will be given out, **\$10.00 fines** will be assigned for parking anywhere other than your own space.

Students are expected to obey all traffic laws and drive courteously while on school grounds. Students are also expected to enter/exit the student lot using the proper lanes. **Students cutting through spaces to force merge into the line for a quicker exit will be subject to fines, referral, and/or having their parking privilege revoked.**

Note that there are **two stop signs** when you are exiting the student parking lot. If you are observed in violation of these signs, you will be fined up to \$25 per citation and/or lose your parking privilege.

If you find another vehicle has parked in your parking space, write down the following information: your name, parking space number, your license plate number, and the license plate number of the vehicle in your space. Drive to the front of the building and park in a visitor space. **When you enter the building turn the information into the Attendance Office.** The report will be verified and the violator will be fined.

The speed limit on campus is 5 mph. This is strictly enforced and consequences are severe. All students leaving the building for Skill Center, or other school related activities, are expected to use district transportation. Travel by private transportation is prohibited unless approved in advance by an administrator.

Mt. Spokane High School is a closed campus. Once you have parked your vehicle **you may not leave** during school hours (7:30am - 2:35pm) **unless you have a signed dismissal slip from the attendance office.** If you leave without proper clearance you will receive a Closed Campus Violation and/or Truancy discipline referral. If you need to go to your vehicle during school hours, you will need to get a **parking lot pass from the attendance office.**

Loitering will not be tolerated. You are expected to exit your vehicle and enter the building upon arrival. Sitting in your vehicle during classes, between classes, at PAWS, or at lunch is an infraction of our Closed Campus policy; subject to discipline. Teachers may not give permission to go to your car for any reason.

You must display your parking hanger on your rearview mirror. There is a \$3.00 charge to replace lost hangers.

Mt. Spokane High School and the Mead School District will assume NO responsibility for vehicles that are damaged or stolen while on school property. It is the law in the State Of Washington that you must have auto insurance to operate a motor vehicle.
