Dream Big Bonsall West... Ride with Pride!

Read Across America

By Skye Graddon & Ruby Bell

What is Read Across America Week? Read Across America Week is a week that we celebrate the beloved children's author, Dr. Seuss. On March 2nd it will be Dr. Seuss's birthday. Many people dye their hair green in honor of Dr. Seuss. The week of Read Across America is the most known week of reading. Also Read Across America Week is the largest celebration that the country has ever seen. In 1997 a large group of people from the NEA organization made up Read Across America Week and now it has been a national holiday for many years. We like to celebrate this national holiday because it reminds us of Dr. Seuss. For Read Across America Week at school we will be doing lots of different activities. On Monday, February 25th you should wear green for the RAA kick off. On Tuesday, February 26th you should wear stripes and/or your favorite hat and we will have the Literary Comes to Life assembly. On Wednesday, February 27th you wear your outfit for the Vocabulary Parade, and wear crazy socks. On Thursday, February 28th you should wear college gear, there will be guest readers that were former Bonsall West students. Finally, on Friday, March 1st wear jammies for cozy up with a good book. Yay, I can't wait for Read Across America week.

President's Day

By Vincent Simon

I bet a lot of you were very pumped for a week off this month, plus an extra Friday due to flooding. But that week you got off had a lot more meaning than going skiing and chilling with your family. We had that week off to honor all of our presidents! We have had 44 presidents so far, that have each done something to help America. The one who started this line of Presidents was George Washington. Without him we probably would not have even heard the word president before. Because of all he did we chose his birthday to recognize all of our former and current presidents which is February 18th! I hope you enjoyed having a week off of school, but it's really thanks to our presidents!

Sock Hop

By: Ava Rosario

To celebrate Valentine's Day our school has a fun event for all to participate. It's the Sock Hop, a 50s themed party. It was originally planned to be on Friday the 15th from 5-8, the Sock Hop is in the Auditorium. But we want more people to join. So it's now going to be on March 8 same timing. Tickets are for sale only for 5 dollars per person. The money that goes to the Sock Hop help the Six graders go to Camp. There we'll be selling Italian Style dinner, from our "Colt Bistro" and that will be sold separate. There will be music provided by DJ Drillz, and a lot of dancing. You will also need to be with an adult. So see you soon there, and help the six graders go to camp.
