

**WHIP  
PEDIATRIC  
CANCER**

**We all know that Beau had a “Heart of Gold,” and now, his family is requesting to see yours! If you would like to donate to the Whip Pediatric Cancer group, please return your decorated heart, along with a suggested donation of \$2.00 to your school’s office by October 10, or donate online at [www.whippediaticcancer.org](http://www.whippediaticcancer.org). Decorated hearts will be displayed proudly in the hallways of all three campuses to show that our LISD family is determined to **#WhipPediatricCancer!****

**Thank you for your support!**
