STUDENT DROP OFF IN AM:

Students are only to be dropped off in the front of the building by the flagpole. Please do not drop students off prior to 7:50am as we do not open our doors until then. Thank you.

TEACHER WEBSITES:

Teacher Websites are a valuable resource for students and families. Please be sure to check them regularly. Please also be sure to look at Humanities classes as well.

INTRAMURAL PROGRAM:

Mr. Rivera will begin having sign ups for the Fall Intramural program next week. All students wishing to participate in the intramural program must complete the sports physical packet. If you need further information, please contact Mr. Rivera at krivera@bordentown.k12.nj.us

FROM OUR NURSE:

For those 6th grade students that have not handed in an immunization record with the required 6th grade immunizations please have your child bring in a copy to school tomorrow and drop it off to my office.

As far as sports physicals... physicals turned in at this point for fall sports can not be guaranteed clearance. Any forms handed in I will do my best to get clearance from the school doctor prior to tryouts. If you handed in a physical but did not register please complete the online registration ASAP. Your child will not be able to try out unless both registration and cleared physical are on file.

Physicals may still be turned in for Fall Intramurals, there are no try outs however participation is pending registration and online registration.

If your child requires an Epi-pen or uses an inhaler, the proper administration forms will need to be filled out. Please see the links to those forms below.
