

To all Bradley County School Staff:

Medical Center Pharmacy is offering Flu and Pneumonia shots to all Bradley County School employees on the dates below. We will provide the shots at your school site for your convenience. Shots will begin at the first school listed below and will travel school to school. Please sign up in your school's office if you will be participating. **The flu injection offered will be the Preservative Free Quadrivalent injection (two A and two B strains)**

Staff children can participate (ages 5 and over).

The traditional Pneumonia shot will be available for the individuals that it is indicated for. For the individuals that are over 65 years old, there is an additional Pneumonia shot called Prevnar 13 that may need to be given first. This injection will need to be arranged to be given at the pharmacy and will not be available at the flu clinic. You may call our nurse, Amy Ownby, at 423-476-5548 Ext 105 for further information and questions.

Cost: Flu and Pneumonia shots are free with your Caremark Prescription Card

Flu shots are \$20 without your Caremark Prescription Card or private pay

Pneumovax 23 will be \$100 without your Caremark Prescription Card or private pay
