Godwin Community,

Last night we were informed of a possible threat against Godwin Heights Middle School via social media. The Wyoming police were contacted and have investigated the threat. After making contact with individual last night, the Wyoming Police Department determined that there was no credibility to the threat for Godwin Heights Middle School nor the Godwin Heights School District.

We appreciate the partnership with the Wyoming Police Department, as well as our students, staff and parents who acted quickly and wisely to notify both school administration and law enforcement.

Working together in situations such as this is critical to identify and investigate concerns. Please continue to urge your children to continue to talk with you regularly, especially if concerns arise.

We continue to take the proper precautionary measures necessary to ensure a safe learning environment for our Godwin community. Today that has included meetings with students and staff, as well as an increased presence of security. Safety of our community is our first and foremost priority.

Please feel free to contact me or any district administration with any concerns.

Sincerely,

Comunidad de Godwin,

Anoche nos informaron de una posible amenaza contra Godwin Heights Middle School a través de las redes sociales. Se contactó a la policía de Wyoming y se investigó la amenaza. Después de ponerse en contacto con la persona anoche, el Departamento de Policía de Wyoming determinó que no había credibilidad ante la amenaza de la Escuela Godwin Heights Middle ni del Distrito Escolar de Godwin Heights.

Apreciamos la colaboración con el Departamento de Policía de Wyoming, así como con nuestros estudiantes, personal y padres que actuaron de manera rápida y sabia para notificar tanto a la administración escolar como a la policía.

Trabajar juntos en situaciones como esta es fundamental para identificar e investigar inquietudes. Continúe instando a sus hijos a hablar con usted regularmente, especialmente si surgen inquietudes.

Continuamos tomando las medidas de precaución adecuadas necesarias para garantizar un entorno de aprendizaje seguro para nuestra comunidad de Godwin. Hoy eso ha incluido reuniones con estudiantes y personal, así como una mayor presencia de seguridad. La seguridad de nuestra comunidad es nuestra primera y principal prioridad.

No dude en ponerse en contacto conmigo o con cualquier director del distrito si tiene alguna inquietud.

Sinceramente,
