Notice of Parent/Guardian and Student Rights

The Rehabilitation Act of 1973, commonly referred to as “*Section 504*” is a nondiscrimination statute enacted by the United States Congress. The purpose of the Act is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to non-disabled students.

An eligible student under Section 504 is a student who has, has a record of having, or is regarded as having, a physical or mental impairment that substantially limits a major life activity such as learning, self-care, walking, seeing, hearing, speaking, breathing, working, reading, thinking, concentrating, and performing manual tasks.

It is the purpose of this notice to set out the rights assured by Section 504. If parents have questions regarding parents’ rights under Section 504, they should reach out to the Coordinator of Child Welfare and Attendance.

The enabling regulations for Section 504 as set out in 34 CFR Part 104 provide parents and/or eligible students with the following rights:
