School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Beryl Heights School, founded in 1909, is located in South Redondo Beach. Beryl provides a disciplined learning climate for all students. Students, parents, and staff are encouraged to learn and work together, to take risks, and to stretch themselves beyond their expectations. Staff members support and encourage students, parents, and each other to accept and find the best in themselves and others. Beryl is a place where everyone learns and everyone teaches. An atmosphere of trust, caring, support and encouragement prevails. Learning communities' work together providing focus, constructive feedback, implementation support, and encouragement. Everyone takes responsibility for ensuring that each student and adult reaches his or her full potential. Students are challenged, supported, and encouraged to set goals and take risks. There is a "can-do" attitude present in classrooms. A strong partnership between home, school, and community exists that recognizes in order for the school to be successful, each child must be successful. Following the six pillars of character is the way we approach students to make sure they are caring, responsible, respectful, fair, and trustworthy students. The school sees itself as one entity rather than individual classrooms. Everyone is dedicated to doing whatever it takes to ensure that each student is prepared to be the teachers, leaders, and dreamers of tomorrow.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	22	21	22	456
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	81	79	74	78	50	50
Mathematics (grades 3-8 and 11)	76	79	69	72	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

We encourage parental support in classrooms, Live Well, Gardening, Hands on Art, fundraisers, our annual carnival, Watch Dogs, and PTA family nights. We also ask for involvement and attendance at Back to School Night, conferences, and Open House. We coordinate most of our parent volunteer opportunities through and with our very active school PTA.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2019-20)

The Redondo Beach Unified School District has developed Comprehensive School Safety Plans and coordinated school crisis response procedures in partnership with law enforcement and emergency response organizations. The comprehensive School Safety Plans meet the requirements of the annual Safety Plan Process under California SB 187. As stated in SB187, school safety plans are updated annually with participation from staff and additional stakeholders in a School Site Council.

District schools have also developed a “Grab and Go” guide to supplement the Comprehensive School Safety Plans. The Grab and Go guide details teacher and staff procedures in an actual emergency, in addition to site emergency response teams.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Percent Difference - School Site and State	N/A	N/A	-14.5	-1.7

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

Last year, Beryl Heights used Supplemental funds by providing reading and writing intervention during the school day by hiring a credentialed teacher to work with English Language Learners and students who were not reading at grade level. This intervention teacher works on reading and writing and ensuring students are on grade level so that they can be successful in the next grade level.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

The Redondo Beach Unified School District is focusing staff professional development (PD) in three main areas: effective instructional strategies aligned to California State Standards at schools sites; use of technology in instruction; and the supporting of the social, emotional, and behavioral needs of all students, particularly through the implementation of Positive Behavioral Intervention and Supports (PBIS) in all schools. While the current PD does focus on instructional and curriculum in mathematics, English, and science, the RBUUSD is also developing PD for History Social Science standards.

The RBUUSD is engaged in a multi-layered approach to delivering PD. The District provides PD through: teacher release time; conference attendance; one-day workshops; mentoring; book studies; and after-school, “early out” days. The elementary schools utilize weekly collaborative planning time through the implementation of a School Instructional Leadership Team and grade level leads.

Targeted teacher development activities are essential for increasing the quality of education to students. The below topics are a few of the professional development areas for this school year:

- Reading strategies and understanding text complexity
- MTSS and Tier 2 Intervention Strategies
- Supporting students with disabilities through inclusive practices and co-teaching
- Grade level articulation
- Professional Learning Communities (PLCs)
- Student mental health
- Suicide prevention
- Mastery Learning
- Examination of student assessment results

The use of student data is critical to better assess and support individual student development. The District provides training on our student data management, Performance Matters, to analyze individual and aggregate student progress. Elementary teachers and secondary math teachers receive ongoing training and support on diagnosing students learning targets and adjusting instruction to increase number sense.

Internal PD offerings are supplemented by partnering with external professional development organizations, including universities such as LMU and UCLA. Our partners advise on the District’s program development and provide PD for teachers and administration on instructional programs for all students.

Our new teachers are supported at school sites and at the District level through the Beginning Teacher Support and Assessments (BTSA) Program where each new teacher is mentored by a BTSA support provider. By working with BTSA, a new teacher receives support and resources to improve their teaching pedagogy.

Through the collective bargaining process, additional paid professional development days are included in the teacher work calendar.
