March 19, 2020

Dear Parents,

As the news and implications of COVID-19 continue to increase its impact on our communities, **our schools will remain CLOSED to students from Monday, March 23, 2020, through Sunday, March 29, 2020**, including all after-school student programming and extracurricular activities, as we continue to implement our distance learning protocols.

Again, while it is our plan to review each week at a time, I would ask our families to begin thinking long-term so that they are best prepared should we need or be instructed to close for a longer duration of time than indicated above as many other districts, counties, and states have already announced.

Moving forward, to best ensure the health and safety of our remaining staff, our buildings will be closed to the public, unless otherwise indicated by our building principals or myself. Should you have a need to visit one of our buildings, please call the main office of that building to discuss the possibility of arranging an appointment, or, please reach out to the principal directly via email.

Graham Peabody
Superintendent
Spotswood Public Schools
