School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Welcome to Equitas Academy #4. Our mission, like the schools in our network before us, is to prepare 100% of our scholars to graduate from 4 year colleges and universities. Our entire experience is dedicated to ensuring that mission is completed. We believe that in conjunction with families and support from our community all scholars have the capacity to do great things and change the world for the better. Equitas #4 will service grades 5th - 8th. We provide a highly structured environment balancing a warm and nurturing academic setting with college preparatory work and procedures that have been researched to develop college and career readiness for all scholars. We will have a full academic offering including English, Math, Science, and History. In addition to the core subjects we will offer a variety of computer science classes to ensure our scholars are not only consumers of new technology but that they are the innovators of technology. Lastly, we believe in developing scholars character through our core values - curiosity, optimism, gratitude, grit, self-control, social intelligence, and zest. Our teachers exude our core values and along with our scholars are the backbone of our school community. We look forward to seeing you.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)		58.0%		43.0%		50.0%
Mathematics (grades 3-8 and 11)		36.0%		32.0%		38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Parent engagement in a child's education directly supports a child's academic success. To support parental engagement, Equitas Academy provides family orientations, home visits, parent workshops, family nights, school volunteer opportunities, Cafecitos (coffee talks) and School Site Council meetings. We encourage participation with school fieldtrips and attendance of any and all school events to promote family involvement in various ways. Nurturing and strengthening our parent relationships is a strategy to facilitating our student academic success now and in the future.

For inquiries regarding our parent engagement program, please contact our Director of Parent Partnerships, Ms. Lilia Mitre, lmitre@equitasacademy.org.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and

School Safety Plan (School Year 2018—19)

Equitas Academy Charter School is dedicated to ensuring that every effort is made in providing our scholars with a safe and organized learning environment. The classroom is a bridge to learning and the instructional program, for these reasons there are procedures and regular routines that help keep our school safe. School safety and climate are a part of student life from day one. Students are expected to follow a set of rules, "The Equitas Way," that facilitate student and school safety. The expectation is to always "be safe" which permeates through our school culture of not running, showing respect and keeping hands to oneself by using the STAR position. Daily morning meetings that focus around developing core values and safety help further the internalization of an overall safe school climate and works as a prevention program. This school cultural environment along with regularly scheduled emergency drills are practiced to prepare students and staff for earthquake and fire evacuations.

Types of Services Funded (Fiscal Year 2017—18)

The types of services and programs that are provided at Equitas Academy through categorical and other source funding help provide supports that allow student achievement and success. Those supports and programs include daily student intervention (RTI), Student Success Team (SST), Special Education (SPED) development, afterschool programming (ASES) and an enrichment program.

RTI

Additional daily, targeted student support is provided by teachers for performing far below or above grade level, students with low socioeconomic status, English Language Learners, and Special Education students.

SST

Students identified for additional supports are referred to the Student Success Team (SST) based on their educational needs. The SST process includes additional instructional supports, a timeline for implementation, and goals for the student.

SPED

Students who qualify for SPED services receive additional educational services according to qualifications.

Enrichment Program

Equitas believes that provided opportunities to experience activities outside the academics helps students prepare for their future endeavors to and in college and in their lives. Equitas is able to provide enrichment classes to all students 4 days a week.

Expanded Learning

Equitas Academy students have access to a daily afterschool program that offers academic support in math, ELA and homework while offering enriching activities that address the whole student such as technology and photography clubs

Professional Development

To ensure that we are able to hold students to a clear promotion policy that expects our students will meet rigorous academic standards, Equitas Academy provides extended professional development time to develop our staff and to support our educational program. Annually, teachers receive 29 days of professional development. Additionally, students are dismissed one day per week at 1:45pm to allow for two hours of weekly professional development for teachers.

Professional Development is central to ensuring curriculum and teaching is delivered effectively. Upon hiring, all teachers will participate in four weeks of summer professional development training. This training: lays the foundation for a consistent and structured school culture; ensure common classroom management strategies and class procedures; establish school-wide expectations for behavior; and establish common lesson planning formats, standardized curriculum and assessments, and effective instructional delivery.
