HEALTHY AND SAFE SCHOOLS PLAN

Annual Statement for Arthur Academy School Year 2017-2018

Each school district, education service district, and public charter school must develop a Healthy and Safe Schools Plan for all buildings owned or leased by the school district or public charter school where students and staff are present on a regular basis.

School districts, education service districts, and public charter schools must submit a final draft to ODE before January 1, 2017.

Thereafter, school districts, education service districts, and public charter schools must annually submit an updated Healthy and Safe Schools Plan if new buildings are acquired, constructed, or leased or if the plan is modified by the school district, education service district, or public charter school.
