

## **2018-19 Athletic & Pep Squad Information**

Dear Student-Athlete and Parent/Guardian,

Prior to participating in any sports team or Pep Squad activity, each athlete **MUST** complete the online registration to provide the Athletic Department with a current address, emergency contact, insurance, medical alert, and health history information. To expedite this process the Athletic Department uses **SportsWare**, a secure online data entry system. Go to: [www.swol123.net](http://www.swol123.net)

Specific instructions for both new and existing members can be found below, **SportsWare OnLine**.

**Instructions.** Information should be done by parents and directions specifically followed.

Please provide all information that is applicable. If this information changes during the year, please login to update the information. The software will allow you to use the same email address for multiple siblings, but you must choose a different password for each athlete. If you have done this information in a previous year, the system will reset and previous information will be removed, it has to be done each school year. If you do not remember your password, please RESET it and do not create a new account.

All students must have a current physical (valid for one year) on file in the Athletics Office. Physical Evaluation Forms are to be completed by a **Medical Doctor (MD) or Doctor of Osteopathy (DO) ONLY**. Physicals completed by ANY OTHER practitioner cannot be accepted, as is our school policy. **Original must be submitted to the Athletics Office. Physical Evaluation Forms** can be found below or on SportsWare.

The Athletic Processing Fee for the entire school year will be **\$100.00, non-refundable**. **This must be paid in the Athletic Office and is mandatory for clearance - including tryouts. Please write student's ID number on your check.**

If you have any questions, please contact the athletic office at 626-962-2495 ext. 7412. Your help and patience is appreciated.
