

LUMIN Schools

Developing Christian Learners and Leaders in the Urban Community

March 13, 2020

Dear Parents,

Following the orders of Governor Evers and the state Department of Health Services, LUMIN Schools will enact a temporary closure to begin Monday, March 16 and lasting through Sunday, April 5. All extra-curricular activities scheduled to take place during the closure are canceled. The goal of the closure is to reduce contact with one another in order to minimize the spread of COVID-19.

The health, wellness, and safety of our students, staff, and families is our top priority. Our leadership team is following recommendations by national and local health organizations as we determine how to best serve the needs of those in our care. During the closure, our facilities will be professionally deep-cleaned to ensure students return to a healthy environment.

Though we are suspending in-person instruction, it is our hope students will engage in reading, writing and other learning activities while they are away from school to keep their minds and skills sharp. Your child's teacher will be in contact with you to share ways you can promote learning at home.

We understand the strain many families will face without the free breakfast and lunch students receive at their school. Milwaukee Public Schools will be opening meal sites, much like they do in summer. Here is a list of [locations](#) where meals will be served. The Racine Unified and Beloit School Districts have indicated they will share information about meals in the coming days, and we will post that information on our website and on social media.

The COVID-19 situation is constantly evolving. We understand there is uncertainty involved in this situation, but we will keep in close communication with you in the coming days and weeks. Please feel free to contact your school's principal if you have any questions. We will get through this time of uncertainty together with God by our side every step of the way.

Joshua 1:9

Be strong and courageous. Do not be frightened, and do not be dismayed. For the Lord your God is with you wherever you go.

Sincerely,

Shaun Luehring
