FOR IMMEDIATE RELEASE

**APS Identifies 89 Sites for Student Meal Pick-ups
Grab & Go meals will be provided to students during three-week school closure**

ALBUQUERQUE – In response to the community coronavirus threat, and in an effort to minimize social interactions to prevent the spread of the illness, Grab & Go meals will be available to all school-age students under the age of 18 as of Monday, March 16, 2020.

The 89 sites below have been identified for meal pick-up. Parents/students will be able to pick-up meals via a drive-through line at the entrance of participating schools. No one should be entering schools to retrieve food. Students must be present to receive a meal.

Students do not have to go to the school they attend to participate, so they may access the school site most convenient for them. The only exception to this protocol is New Futures students who will need to access meals at the New Future School site exclusively.
