

SIT Notes  
September 19, 2018

In attendance were: Ashley Dezern, Jessica Williams, Jill Crews, Eric Sorrell, Julie Dalton, Amy DeBord, Aaron Tuck, Renee Haraway, Susan Matthews, Barbara Foster, Tammy Poindexter and Kelly Kirkland

Members updated the group on NC Star goals and action steps for their indicator.

Jill and Jessica stated that the school will use state check ins and mClass data in addition to iReady data to determine school improvement and PD needs.

Amy and Aaron stated that mClass and iReady data as well as the TRC data wall will be used to make decisions about intervention steps for students in PLTs and SST meetings as the school begins to implement a tiered instructional system (MTSS)

Ashley plans to document the Leadership (or SIT) Team's regular meetings and implementation of effective practices through meeting notes and agendas.

Julie and Susan shared evidence of effective classroom management utilized by teachers and ways in which they positively teach rules and procedures. Evidence included PBIS meeting notes, Class Dojo, PBIS refresher training, GRR rules and procedures PD.

Tammy followed up with Ms. Kirkland and Mr. Sorrell to ensure they are monitoring curriculum and classroom instruction regularly and found that they have completed 62 classroom walkthroughs to date. Ms. Kirkland stated that they have observed GRR being implemented and they are seeing many positive things taking place from PLTs.

Renee and Barbara led the group in discussing how the school regularly communicate with parents about its expectations and the importance of the curriculum. Communications included: phone calls and call logs, Power School access for parents, Remind to communicate important dates, homework, and trips, phone messages through Blackboard connect, 3rd grade parent meeting to communicate RTA expectations to parents, PTA meetings, Facebook and Twitter.

\*\*Power School Access codes will be available to parents soon. These should be given out to parents at conferences NOT sent home with students.

\*\*Any teacher can use the Blackboard connect to send messages to their class or a specific group of students. If you are interested see Ms. Kirkland.
