

Dear MVP Parents & Guardians,

K-12 Payment Center

As you aware we are not part of the NYC Department of Education. As such, we have not been granted school-wide free meals.

Please see the attached letter with registration instructions for www.K12PaymentCenter.com . **Please note that all parents must register for an account. Payments for meal payments and other school fees such as field trips, tablet repairs fees, school supply packages, etc. will only be accepted via this website.** All the information necessary for parents to register their students has been provided to the company. If you experience any problem registering, please contact them at [1-800-541-8999](tel:1-800-541-8999) or via the website.

New 6th grade parents may need their student's ID number to register which is the same as the password for their school issued mvparents.org email. If you're the parent of a current 7th or 8th grade student and have an account you do not need to create a new account.

Beginning October 1st 2018, student accounts will be charged for meals. Please make sure that funds are added as soon as possible. Also please, fill out lunch applications per the instructions below.

Please see the information below regarding receiving free or reduced price school meals:

Now you can apply on-line for your children to receive free or reduced price school meals. Your application will be sent from a secure web site directly to *Middle Village Prep* so you don't need to worry about filling out a paper form that could be lost or misplaced.
