Post Office Box 130
East Bridgewater, MA 02333

On behalf of the Skylur J. Spagone Memorial Fund, I would like to announce that after twenty years of helping the children of East Bridgewater, we will be closing down our financial aid on May 1, 2019. We're extremely thankful of the community that rallied around the Skylur Fund and are inspired by the incredible support and comfort it has given us over many years.

While it's sad to say goodbye, we recognize it's the right time and we will continue to keep Skylur in our hearts and her spirit will live on in the many different ways she helped shape our community.

We want to make this transition as smooth as possible for everyone who financially benefits from the Skylur Fund. We will continue to support the Sydney Craven Memorial Fund (www.sydneycraven.com) and will help guide this wonderful organization as they continue their journey.

We will be working the remainder of the year on our last major constructional project and will hold one more event on Columbus Day 2019, in support of this project. More details on the culminating fundraiser and construction project will be out shortly.

Thank you all again for your support of our organization. We took great pride in our mission and our accomplishments, and with your help, we certainly keep Skylur's memory alive.
