Creating a digital account is as simple as 1,2,3! Simply visit www.kroger.com or download the Kroger mobile application from the appropriate app store for your device and follow these directions.

1. Select the 'Register' button.
2. Enter your information.
3. Select 'Create Account'.

Please make sure that you add your card number or create a virtual card number while registering your Digital Account. This is required for the Community Rewards program so that your transactions apply towards the program.

If you have an existing online Kroger account—start here:

Selecting an Organization

Selecting the organization that you wish to support is as simple updating the Community Rewards selection on your Digital Account.

- Sign into your Digital Account (if you haven't already).
- Select 'My Account'.
- Scroll down to the 'Community Rewards' section of your account page.
- Select 'Enroll Now' or 'Edit'.
- Enter **Oakcrest Intermediate School** or NPO number **MG997**.
- Select the appropriate organization from the list and click on 'Enroll'.

Your selected organization will now display in the Community Rewards section of your account page. Any transactions moving forward using the card number associated with your digital account will be applied to the program. It takes approximately 10 days for the Community Rewards total to begin displaying on your receipt.
