

Winchester School Site Council

Winchester Elementary is looking for parents who would be interested in serving on the School Site Council! School Site Council meets approx. 6 times per year. The School Site Council help to make decisions on how State and Federal funds are spent at school. They also assist in building the Winchester Elementary School Safety Plan.

If you would be interested in being part of School Site Council, please call or stop by the school office today! We would be happy to put your name on the ballot! Elections will take place in September. Names must be received by August 31, 2018. Child care is provided at each meeting and light refreshments are served.

Help us as we make Winchester Elementary, a place where our children have the opportunity for educational growth in a safe and fun environment.
