Tuesday-Signs of Spring

Day Two-In the Spring, flowers start to bloom. Bulbs and plants that were dormant all winter start to grow again. New seeds are planted, and gardens become beautiful again.

1. Morning Work-Have your child write their name on sheet. If you were not able to print, write your name in orange over red and save for tomorrow.
2. IB-Do the Season sort on SeeSaw. If you do not want to do the sort on SeeSaw-divide a paper into 4 sections. Then label the sections with the seasons. Color pictures to show each season.

3. Read a book about plants or flowers. Be watching SeeSaw for Mrs. Letts to be reading a story. (I will post YouTube link in the afternoon for people not using SeeSaw.)
4. Please do at least one or two of the following activities and then post pictures to SeeSaw
   A. Search for different flowers and signs of spring outside. Color the spring things you see. (You can resource or just color on a piece of paper.
   B. Do you have a garden? Be a garden helper-water the plants/flower with a watering can or pull weeds.
   C. Spring & Seeds both start with the letter Ss. Search around your house for other things that start with the letter Ss. Draw a picture, take a video, or take a picture to share.
   D. Coffee Filter Flower-Use markers to color coffee filter. Spray filter with water to see the colors mix.
      When the coffee filter are dry, glue them together to make a flower.
   E. Use blocks, pretend food, and fake flowers to make a garden.
   F. Plant a rainbow. Look through newspaper ads and magazines to find pictures of every color of the rainbow. (I have included a resource to glue the pictures on if you’d like to use.)
   G. Soak a dry bean or seed in water. Then move the bean to a plastic ziploc bag. Add a damp paper towel.
      Tape the bag to a window that gets bright sun. Watch it grow. I have included in the resources for a sprout house if you would like to use to watch the bean grow.
4. Complete SeeSaw Activities
