

Hi Heart Heroes!

Sanchez Elementary's Kids Heart Challenge event is going great! So far, we have raised **\$4836 online and \$2,071 in cash with 87 students registered!** Thank you to everyone who has participated with donations and taking the healthy challenge! I'm so proud of our students for learning how to keep their hearts healthy while helping others.

CONGRATULATIONS! These grades are in the lead online:

- **Kinder takes the lead, raising \$1,396!**
- **2nd grade for 2nd place, each raising \$1,346!**
- **4th grade takes the 3rd spot, raising \$1,016**

During our last event we raised **\$5,148**. We know that if all students **send 1 more message** to remind friends and family to submit their donations, we will make a great impact on heart disease and stroke again this year!

Every student who raises \$100 for Kids Heart Challenge will get to slime a teacher or a coach!

For \$20 raised, students will attend the Kids Heart Challenge Bash enjoying water games.

Heart Hero Health Challenges:

26 students

have taken Sprinkle's challenge to be active at least 60 minutes a day!

45 students

have taken Splash's pledge to drink lots of water instead of sugary drinks

16 students

have joined Echo and pledged to do a good deed!

Want your grade to be the top fundraising grade? Here's how!

1. **Download the app!** You can find the new "Kids Heart Challenge" App in the mobile App Store or join online at www.heart.org/kidsheartchallenge.
2. **Email or text** friends and family to help raise donations and reach your goal.
3. **You can also share your page on** Facebook, twitter, LinkedIn!

COACH

**** SURPRISE! The Heart Heroes come to life through the mobile app! ****

We're making a difference – THANK YOU!
