

Cougar Families

I hope each of you have been able to enjoy our unseasonably snowy, now enjoyably sunny weekend.

Thank you to Lizzie O'Connor for an amazing Candyland experience for Fridays' Father/Daughter dance. It took a tremendous effort to organize the event and transform the space into a Candyland experience. Thank you and all those who were able to attend or support in any way.

Thank you CARE team for rockin' out on Friday during the incentive parties. Although the amount of dancing varied from our smallest to oldest scholars, a great time was had by all! Based on conversations with students over the few weeks since this initiative began, they are definitely aware of what's happening and want to participate. Thank you for your continued supports of our school-wide positive behavior initiatives.

Here are a few reminders:

Alice In Wonderland Jr. is upon us! Please join us this Friday and Saturday at 7:00 p.m. to enjoy the show. Thank you in advance Ms. Schuberth for an amazing show.

Each week brings us closer to the end of the year and attendance still matters! In fact, attendance matters even more now because every single day counts. One more student in attendance each day will help us reach our goal of 96% school attendance. Please have our scholars in school, on time everyday!

The annual Golf Outing was rescheduled due to inclement weather. The new date will be June 2.

Upcoming Events

NWEA Testing begins May 13

Kindly,
Your Cougar Administration

Collaborate with one another

Support one another

Care for one another

Encourage one another

And

Remarkable things will happen!
