Parent Signature:

Pre – K Thanksgiving Break Activities

Attached is a counting mat to help your child learn counting and numerals 1 to 6. Your child is already familiar with this practice.

Day 1: Count pennies 1 to 6 and place in the matching circles.

Day 2: Count buttons 1 to 6 and place in the matching circles.

Day 3: Count crayons 1 to 6 and place in the matching circles.

Day 4: Count cereal 1 to 6 and place in the matching circles.

Day 5: Allow your child to find household items to count and place in the matching circles.
