Annual Campus Tour in Collaboration with Los Angeles Pierce College

On Thursday, March 7, students from the WVOC Academic, CTE, and ESL programs participated in a guided tour of the Pierce College campus. The tour was hosted by the school's outreach department. Thank you to Ms. Gaytan, WVOC Teacher Counselor, for organizing this event and to Mr. Ricardo Flores, Counseling Office Technician, for support in helping students participate in higher learning activities.

This group of motivated students learned about services offered at the community college such as academic and career counseling, tutoring availability, financial aid opportunities, and the use of the school's library system. Additionally, they learned about important college events, office locations, and much more.
