****Back to School Event Day***

If you have items that you know you will need and know the size, you can email those orders in to me at:

store@eagleslanding.org

I can have the items ready for you to pick up. (For current students they can be billed to your account or you can call the store at 678-818-1037 to pay via credit card payment.)

Please order early so that I can order items if I do not have them in stock!
