G. ORGANIZATIONAL UPDATES

Ms. Vachon, SEIU Representative, arrived after Organizational Updates. Mr. Brenner, SLVTA Representative, reported that all five sites have elected site representatives. Each of these representatives has received CTA membership benefits information to share with members at their sites, such as disability insurance, life insurance, supplemental, retirement plans, and discounts on travel, entertainment and shopping. SLVTA Treasurer and Ms. Darrough will attend a Treasurer Workshop on October 11th at CTA Headquarters in Burlingame. Melissa Lasater, SLVTA Lead Negotiator, will attend the CTA Region I Leadership Conference in Burlingame (10/11-13). SLVTA received grants for all of the workshops and conferences. Ms. Dolson, Trustee, attended the Back-to-School (BTS) Nights, EduTech, and the Math Meeting and stated that they are all off to a good start. Mr. Becker, Trustee, attended all of the events listed below. Ms. Levine, Trustee, attended the BTS Nights listed below and the Race & Racism event. She indicated that she had shared the flyer for this event with the Board. She reported that it was a very powerful, informative event regarding the racism that is surrounding the northern county. Ms. Rice, Clerk, attended the events listed below. Mr. Wylie, President, attended the Santa Cruz/Santa Clara Roundtable where the resolution regarding the flight path change that SLV had previously approved, was read into their minutes. This group stated that although they had no authority to change the proposed flight path over SLV, they would be able to assist with any environmental action that may need to occur.

H. COMMUNITY PARTICIPATION

Ms. Elisabeth Bertrand, Special Projects Director, Association of Monterey Bay Area Governments (AMBAG), AMBAG Energy Watch, presented SLVUSD with this special award. She stated that the award is in recognition of the great work SLV accomplished by reducing energy use and related greenhouse gases through the installation of energy efficiency equipment.

Mr. Schiermeyer, Deputy Superintendent, stated that SLVUSD has been working with AMBAG Energy Watch since 2014 to support the school district with projects under the California Clean Energy Jobs Act K-12 Program - Prop 39 to improve energy efficiency throughout the District. Under Proposition 39, SLVUSD received approximately \$740K over five years. With these funds, the district projects have included replacing interior and exterior lighting across all campuses, Boiler and HVAC replacements, smart thermostats, and improvements to our Energy Management System.

Mr. Schiermeyer, Deputy Superintendent, also thanked Ms. Bertrand and AMBAG for all of the behind-the-scenes work that they did on behalf of the district. It was because of this work by AMBAG, the District was able to tap into this funding.

Ms. Bertrand included that these energy projects have saved the District approximately \$60K annually in energy expenses.

I. SUPERINTENDENT'S REPORT

1. Innovation Grant: Design Thinking 2019-20

Dr. Bruton, Superintendent, reported that all teachers received training on Design Thinking in August 2019. This year, the Innovation Grant will be offered using the Design Thinking model. Teachers will identify a problem or challenge and work through the Design Thinking model to create a prototype to improve student learning or solve problem of practice. Instructional Services will conduct a preliminary review of the proposals to allow teams to move on to the next stage. Members with approved

SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT

proposals will then create a prototype and present to a panel made up of teachers and administrators. If final approval is granted, they will receive the financial support and move forward with implementation of their “prototype”.

Dr. Bruton, Superintendent, will report back to the Board after grants are finalized. The Board commended the changes to this process and asked some clarifying questions.

A copy of the Innovation Grant process was shared with the Board of Trustees and is available in the Superintendent’s Office.

2. Facility Bond Campaign Timeline & FAQ

Dr. Bruton, Superintendent, presented a preliminary Bond FAQ, provided by Isom & Associates. This information will be revised to reflect appropriate information once the Board determines what amount and what priorities will be set for the Facility Bond.

Dates will be scheduled to meet with staff, the site parent groups, and other key organizations in the community, such as Rotary, Valley Women’s Club, etc.

A timeline will be put together in expectation of a Facility Bond being placed on the March ballot, which will be shared with the Board.

The Board asked some clarifying questions. These questions will be addressed through the Board Workshop which will be scheduled.

A copy of the FAQ sheet is available in the Superintendent’s Office.

J. REPORTS

1. Facility Master Plan Update.....Schiermeyer

Mr. Schiermeyer, Deputy Superintendent, introduced Mr. Mark Finney, Principal in Charge, and Jackie Barbe’, Project Architect of Sugimura Finney Architects, Inc. to present the Facility Master Plan Update.

Together, Ms. Barbe’ and Mr. Finney went through the Needs Assessment/Master Plan with the Board. They explained that each classroom, building, and outside area of each district site was inspected for potential future improvements. They reviewed how the information was put together in the report; referencing the numbering system. Each site was briefly reviewed.

Mr. Schiermeyer, Deputy Superintendent, reported that the cost estimate totals are overstated due to how the report reflects whether a recommendation is acted upon in accordance with site improvement, modernization or new construction. He also reviewed the State Grant and/or Modernization eligibility, which if SLV was eligible, could potentially offset the cost of the proposed facility improvements.

2. SLVHS Data Board Presentation..... Calden

Mr. Calden, SLVHS Principal, presented the CAASPP ELA data, which he was happy to report had gone up 1 point from 80 to 81. He reported that in prior years, the scores were in the 60’s. The high school began offering a grade bump as a positive incentive for students to make an effort on the CAASPP tests, which may have attributed to the increase of test scores. Students are now taking the test and actually trying for a good score because of these grade bumps. They also started giving the students practice tests. Using practice tests enables students to see the structure of the test and the kinds of questions to expect.

Mr. Calden then provided the CAASPP Math data, which went up 5 points from 41 to 46. The Math Department is working really hard and has implemented an after-school intervention program that takes place every day after school. The work that the Math Department is doing is being recognized and shared by Kevin Drinkard, Math Coordinator-SCCOE. Mr. Calden stated that the Math Department is made up of both experienced and new staff. The Math Department is thankful to the District for the financial support of this after school math program.

SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT

Mr. Calden then reported the next steps for ELA, which are as follows:

- 1) offer after-school support (9-12) for the first time this year,
- 2) use CAASPP practice tests multiple times prior to test
- 3) use *Listenwise* curriculum in SS, ELA, and Science to support listening skills, and
- 4) continue giving grade bumps as an incentive for test taking and doing their best work.

The next steps for math were reported as follows:

- 1) continue skills-based curriculum and assessment,
- 2) continue grade bump incentives,
- 3) provide daily after-school support in Math 1, Math 2, and Math 3, and
- 4) continue work with on-site Math Coach.

The Board thanked Mr. Calden and the high school staff for their good work.

A copy of the SLVHS Data Board Presentation is available in the Superintendent's Office.

K. COMMUNITY PARTICIPATION

There was no Community Participation.

L. ACTION ITEMS

1. First Reading (* indicates items that may be acted upon at First Reading)

- *a. Approval of Unaudited Actuals Financial Reports (Due to Timeline)Schiermeyer

The District has now completed the closing of its financial accounting records for the 2018-19 fiscal year and the unaudited actuals have been determined. All funds of the District are in positive cash and fund balance positions as required by AB1200. In addition, the District has met its required 3% reserve for economic uncertainties.

Mr. Schiermeyer, Deputy Superintendent, reported that the district is required to close the 2018-19 financial books and submit the data to the County Office of Education. This financial information is known as the Unaudited Actuals. He reported Unrestricted and Restricted Fund 01, estimated verses Unaudited Actuals for both Unrestricted and Restricted, contributions to other funds, and Funds 09, 13, 17, 21, 25, and 40. Explanations were provided for the areas where variances resided between Estimated Actuals and the Unaudited Actuals and it was reported that student enrollment is down 44 students from this year's projections.

Mr. Schiermeyer also explained the implications of the passage of SB5. It may have a significant financial impact on the District budget.

Mr. Schiermeyer reported that the District ended with a slight increase to the overall fund balance of \$795K (which was mostly restricted – Fund 06), that we continue to be a low LCFF District in terms of supplemental funding, employer pension rates need to be monitored, student enrollment continues to be monitored, Basic Aid Supplemental continues to be monitored, and District priorities will continue to tie to the LCAP.

Mr. Schiermeyer concluded his report by thanking the Director of Fiscal Services, Julie McCarthy, Accountant, Darlene Peterson, and the rest of the Business Office staff for their work.

The Board asked clarifying questions and thanked Mr. Schiermeyer and his staff.

A copy of the Unaudited Actuals Financial Report is available in the Superintendent's Office.

Superintendent's Recommendation: Approve

SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT

*b. Approval of Resolution #2019-20-03 for GANN Appropriation’s Limit (Due to Timeline)Schiermeyer

According to Article XIII-B of the State Constitution, each year the District is required to calculate its GANN Appropriations Limit and to certify its appropriations, subject to the limit.

Mr. Schiermeyer, Deputy Superintendent, stated that upon closing the District books, it is a requirement to do the GANN Report and recommended that the Board approve this Resolution.

Superintendent’s Recommendation: Approve

**MSC Rice/Levine to Approve Resolution #2019-20-03 for GANN Appropriation’s Limit as presented. The Motion carried with the following vote:

*c. Approval of Resolution #2019-20-04 – Providing for the Issuance and Sale of 2019 General Obligation Refunding Bonds in an Aggregate Principal Amount Not to Exceed \$4,500,000 to Refund the District’s General Obligation Bonds, Election of 2008, Series 2008A (Due to Timeline).....Schiermeyer

The refunding bonds will be issued in an amount not to exceed \$4,500,000, currently estimated to be \$4,169,000, saving approximately \$339,000 through 2023. The maturity date of the bonds will not be extended, and the refunding bonds will mature in full on the date the refunded bonds would have matured.

Mr. Schiermeyer, Deputy Superintendent, explained that the Business Office has been working with Isom Associates in regards to the refinancing of the bonds. Refinancing the bonds will not extend the term and is estimated to save the taxpayers \$339,000.00.

The District refinanced these same bonds in 2011 and saved the taxpayers \$559,000.00.

The Board asked clarifying questions.

Superintendent’s Recommendation: Approve

**MSC Rice/Levine to Approve Resolution #2019-20-04 – Providing for the Issuance and Sale of 2019 General Obligation Refunding Bonds in an Aggregate Principal Amount Not to Exceed \$4,500,000 to Refund the District’s General Obligation Bonds, Election of 2008, Series 2008A as presented. SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT

- *d. Approval of Architecture and Engineering Phases for CTE Building (Due to Timeline).....Schiermeyer

The District obtained Requests for Proposals (RFPs) from several architectural firms interested in becoming the architect of record for the San Lorenzo Valley Unified School District. A recommendation was made at the May 15, 2019 Board Meeting to go with architectural firms Madi Group Architects & Planners and Sugimura Finney Architects (SFA) as the architects of record for the District’s future planning and projects.

Mr. Schiermeyer, Deputy Superintendent, reported that Madi Architect was contracted for the CTE building. There have been several meetings with staff and administration to fine tune the District’s needs. The District has requested that the building be drawn to fit into the grant allocation amount of 6 million.

Superintendent’s Recommendation: Approve

MSC Rice/Levine to Approve the Architecture and Engineering Phases for CTE Building as presented. The Motion carried with the following vote:

AYES – 5 (Wylie, Rice, Levine, Becker, Dolson)

- *e. Approval of New SLVHS Course: Construction Technology II (Due to Timeline)..... Bruton

This proposed new course is in alignment with our Career and Technical Education (CTE) Construction Technology pathway at our high school. This will be the second course in the pathway. Students will take what they learned in Construction Technology I and/or Green Engineering and take their experience to the next level by learning more advanced components of engineering and construction.

Dr. Bruton, Superintendent, explained that Construction Technology II is being added to complete the sequence of the pathway. Construction Technology I and II, and Green Technology may be held at the same time as a blended class. Students will serve as experts in the class. They will also work on individual advanced projects.

Superintendent’s Recommendation: Approve

MSC Rice/Levine to Approve the New Course: Construction Technology II as presented. The Motion carried with the following vote:

Approval of Administrative Regulations: 5113 – Absences and Excuses, 5131.2 – Bullying, and 5141.52 – Suicide Prevention (Due to Timeline) Reimer

The following policies were presented to the Board for review and approval.

SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT

Ms. Reimer, Director of SpEd/Student Services, asked if there were any questions.

The Board had questions about the Suicide Prevention and wanted to know if there was a list of the things that were being taught to the students and if they are a part of the curriculum.

Ms. Reimer responded that yes there is a list and there is curriculum. The curriculum will be chosen and used county-wide and it changes every year. She stated that they are currently working with the Instructional Services Department to help with the implementation. She explained that there would be training.

Other questions regarding if there was bullying curriculum was asked.

Ms. Chappell, Director of HR, explained that the curriculum is with PBIS, which was just taught. She also reported that they are seeing students use it on the playground; everyone has made commitments and agreements, and they will now be moving to the Second Step curriculum.

Superintendent's Recommendation: Approve
