

Dear Employees, Customers, Friends and Members of the Community,

We are excited to announce the upcoming Copier Headquarters 20th Anniversary Celebration. This will be a two-day event, held October 4-5, 2018, at our Woodland Hills office.

Day 1 will be our Technology Showcase. The theme of the day will be The Future of Office Technology. Sharp/Foxconn will share their latest office technology innovation, known as the Smart Office. HP will discuss the future of securing your office from the dangers of outside threats. Several additional vendors will also be here to display their new technology.

Day 2 will be our Celebration of the Community, headlined by an Operation Gratitude "Battalion Buddy" bear building party. We will come together as a community with the goal of building 1,000 stuffed bears, which will end up in the laps of children of recently deployed military personnel and local first responders. A local community leader will join us in celebrating 20 years of success in the area. Local schools, customers and friends will be invited to participate in building bears. We have invited the media to attend and celebrate with us.

Sponsorships are available in various categories, including underwriting the stuffing materials for the bears. The bears will wear a tag with the sponsor's name on it.

Both days will include delicious food, raffle prizes, gifts for everyone that attends, and an opportunity to celebrate our community. We hope you can join us!

Please contact us for more information about the program or sponsorship opportunities.
